CORPORATE PROFILE

Listed on 28 July 2016, EC World Real Estate Investment Trust (“ECW REIT” or “ECW”) is the first specialized and e-commerce logistics real estate investment trust listed on the Singapore Exchange Securities Trading Limited (“SGX-ST”). It has a portfolio of eight quality properties located in the People’s Republic of China (“PRC”) within the largest e-commerce clusters of Hangzhou in the Yangtze River Delta and Wuhan.

ECW REIT offers investors unique exposure to the specialised logistics and e-commerce sector in the PRC. As at 31 December 2020, ECW REIT’s portfolio of eight properties has an aggregate net lettable area of 960,461 sqm valued at approximately S\$1.6 billion.

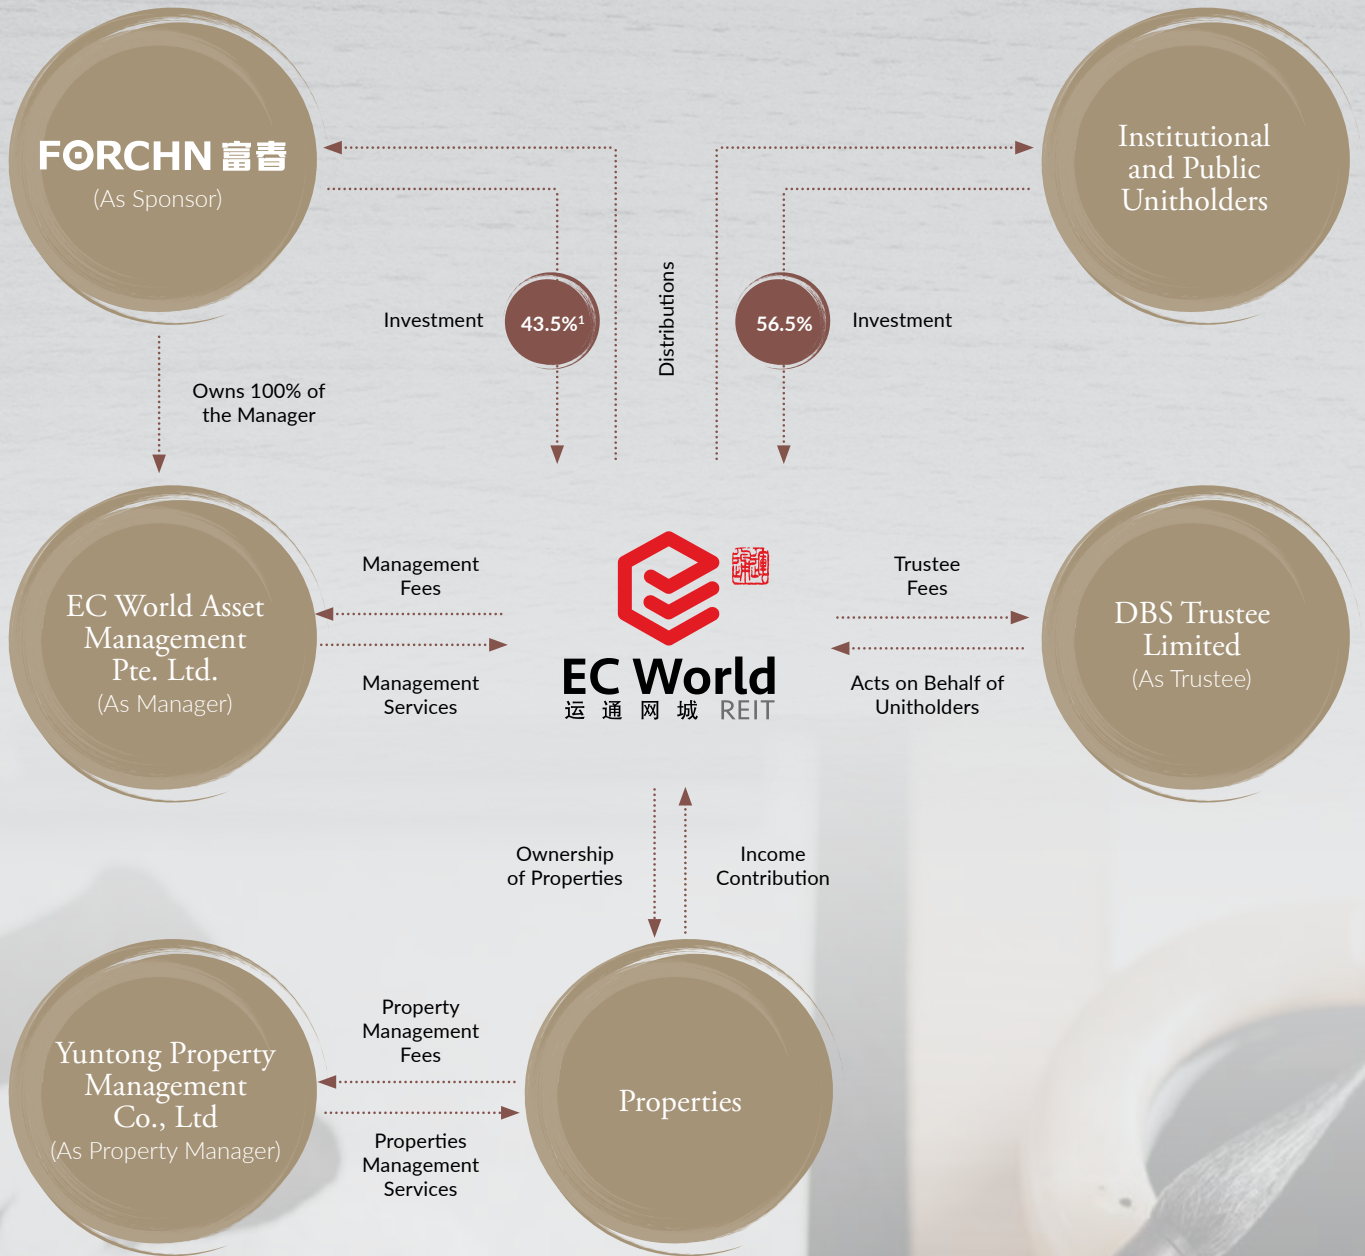

ECW REIT’s investment strategy is to invest principally, directly or indirectly, in a diversified portfolio of income-producing real estate which is used primarily for e-commerce, supply-chain management and third-party logistics purposes, as well as real estate-related assets, with an initial geographical focus on the PRC.

ECW REIT is managed by EC World Asset Management Pte. Ltd., which is an indirect wholly-owned subsidiary of the Sponsor – Forchn Holdings Group Co., Ltd.. Established in 1992, the Sponsor is a conglomerate with diversified businesses in supply chain management, manufacturing, healthcare and finance.

⁽¹⁾ Include financial period from 1 January 2016 to 17 July 2016 where ECW was a private trust.

⁽²⁾ Calculated by dividing the trailing 12 months earnings before interest, tax, depreciation and amortisation (excluding effects of any fair value changes of derivatives and investment properties, and foreign exchange translation), by the trailing 12 months interest expense and borrowing-related fees.

⁽³⁾ Exclude upfront financing fee.

⁽⁴⁾ Defined as net property income divided by interest paid / payable to Banks (exclude upfront financing fee).

⁽⁵⁾ For FY19, the Manager resolved to distribute 98.7% of income available for distribution to Unitholders. Based on 100% payout ratio, DPU would have been 6.127 cents.

⁽⁶⁾ For FY20, the Manager resolved to distribute 91.3% of income available for distribution to Unitholders. Based on 100% payout ratio, DPU would have been 5.869 cents.

MISSION

Deliver stable, sustainable and growing distributions to our unitholders

Grow and diversify our portfolio through yield accretive investments

Offer a differentiated and high quality asset portfolio

Adopt active asset management strategies to enhance performance and value of our properties

VISION

ECW REIT aims to be the premier e-commerce and specialized logistics REIT in Asia and strives to create long term value for all of our stakeholders by capturing opportunities driven by the fast growing e-commerce and specialized logistics sectors.

PROACTIVE STRATEGY, RESILIENCE PERFORMANCE

We remain focused on proactively managing ECW's portfolio while maintaining a stable capital structure to further enhance our resilience in times of uncertainty.

Zhang Guobiao

Chairman of the Board
& Non-Executive Director

LETTER TO UNITHOLDERS

With epidemic prevention efforts and control measures undertaken as well as implementation of macro policies and stimulus, China's economy rebounded and grew 2.3% in 2020, boosted primarily by the economic recovery from 2Q2020.

Dear Unitholders,

2020 has been a challenging year globally. With the outbreak of the coronavirus infection ("COVID-19") at the start of 2020, most countries imposed stringent measures in a bid to contain the pandemic. China implemented strict lockdowns in major cities in the first quarter of 2020. Consequently, GDP for the first three months of 2020 contracted by 6.8% year-on-year. As a show of solidarity with ECW's ("EC World REIT") tenants, ECW provided cash rental rebates of approximately RMB19.7 million to tenants within ECW's portfolio in efforts to mitigate the adverse impact of the COVID-19 situation on tenants' operations in April 2020. According to a report by Cushman & Wakefield¹, landlords in China provided various rent reduction to tenants.

With epidemic prevention efforts and control measures undertaken as well as implementation of macro policies and stimulus, China's economy rebounded and grew 2.3% in 2020², boosted primarily by the economic recovery from 2Q2020. However, much uncertainty threatens this growth, as the global economy's long ascent back to pre-pandemic levels of activity remains prone to setbacks.

Despite these challenges, ECW stayed the course and built on its strategies of active asset management and prudent capital management to deliver a set of stable results. For FY2020, ECW declared a distribution per unit ("DPU") of

5.359 cents, translating to a yield of 7.5%³. In view of the uncertainties from COVID-19, the Manager retained 8.7% of total amount available for distribution. Based on a 100% payout ratio, DPU would have been 5.869 cents for FY2020.

Focused on Stability

In FY2020, ECW's gross revenue and net property income grew 10.7% and 11.8% to S\$109.7 million and S\$100.3 million year-on-year respectively, attributed to the acquisition of Fuzhou E-Commerce in August 2019. This contributed to ECW's full-year revenue in addition to the organic growth from embedded rental escalations provided in the master leases.

However, the increase was off-set by the aforementioned one-off cash rental rebates in efforts to mitigate the adverse impact of the COVID-19 situation on tenants' operations as well as lower occupancy at Wuhan Meiluote.

As of 31 December 2020, the valuation of ECW's portfolio of eight properties declined marginally to RMB8,022 million compared to RMB8,118 million as at 31 December 2019. In SGD terms, portfolio valuation increased by 3.6% to S\$1,624 million compared to S\$1,567 million mainly due to appreciation of RMB against SGD. The Manager continues to strive to seek accretive and value-adding investments for ECW so as to provide a stream of sustainable returns.

³ Based on closing price of S\$0.715 per unit as at 31 December 2020

LETTER TO UNITHOLDERS

Staying on Strategy

The Manager continues to engage in active asset management, bolstering the stability and predictability of returns amidst the challenging macroeconomic climate. The Manager is pleased to note the successful renewal of a major lease amounting to 159,754 square metres (“sqm”) in relation to Hengde Logistics, with China Tobacco Zhejiang Industrial Co., Ltd (“China Tobacco”) in October 2020 at competitive rates.

China Tobacco has a second lease in relation to Hengde Logistics amounting to approximately 74,057 sqm which will be expiring in May 2021. With the successful renewal of the first lease at Hengde Logistics, the Manager is confident of the renewal of the second lease.

As at 31 December 2020, ECW has a weighted average lease to expiry (“WALE”) of 3.4 years by gross rental income and 2.9 years by net lettable area.

Prudent Financial Management

ECW’s capital structure remains healthy, with an aggregate leverage ratio of 38.1% and no major refinancing requirements in the short-term. Weighted average debt term to maturity was 1.6 years as at 31 December 2020 with a running interest rate of 4.3% for FY2020.

To mitigate currency risk, the Manager hedged 100% of the interest rate risk of ECW’s offshore loans using floating to fixed interest rate swaps and cross currency swaps. The Manager will continue to actively explore and diversify sources of funding as well as hedging instruments to optimize ECW’s capital structure.

Standing in Solidarity with Singapore

In April 2020, in view of the COVID-19 situation in Singapore, essential medical supplies and personal protective equipment were donated through the Manager and ECW’s sponsor, Forchn International Pte. Ltd. to Singapore. We remain committed to our responsibilities as a corporate citizen in Singapore as we actively integrate social and environmental concerns.

The Manager was also one of the Bronze Bull sponsors for the 2020 SGX Bull Charge Run organized by the Singapore Exchange (SGX). The beneficiaries of the SGX Bull Charge Run include AWWA Ltd., Autism Association (Singapore), Fei Yue Community Services, HCSA Community Services and Shared Services for Charities. This reiterates the ECW’s focus on active societal participation together to contribute towards a common good.

Looking ahead

The COVID-19 situation has expanded the e-commerce arena and altered shopper’s behavioral pattern in many countries. According to a report by Statista, industry-wide revenue is expected to grow by 7.9% per annum between 2020 and 2025, signifying a strong and resilient tenant market in the years ahead. Support from the Chinese government for the e-commerce sector has also remained strong. This is expected to produce major process innovations for the logistics sector in the near future.

However, we cannot underestimate the volatility of the current situation. The current pandemic depends on the containment measures taken by governments and the successful roll-out of vaccination campaigns around the world. Thus, both global and domestic markets prize stability in this period of transformation. The Manager will continue to proactively manage the portfolio to ensure sustainable returns to Unitholders.

Appreciation

I would like to express my gratitude to our Unitholders for their unwavering support throughout this challenging year. Due appreciation is also given to our board of directors, management and staff, stakeholders including our business partners for their continued trust and support in 2020. We look forward to continuing existing collaborations to forge new horizons for ECW in the years ahead.

Zhang Guobiao

Chairman of the Board & Non-Executive Director

致单位持有人

尊敬的单位持有人，

2020年是全球充满挑战的一年。随着新冠肺炎疫情在2020年初的爆发，很多国家都采取了严格的措施来遏制疫情。中国在2020年第一季度对主要城市实施了严格的封锁。因此，2020年前三个月国内GDP同比收缩了6.8%。作为对运通网城房托的租户的声援，房托于2020年4月向租户提供了金额约为1970万元人民币的现金租金回扣，以减轻新冠肺炎疫情状况对租户运营的不利影响。根据戴德梁行（Cushman & Wakefield）的报告¹，中国的房东为租户提供了各种租金减免。

随着疫情防控力度的加强，宏观政策和刺激措施的实施，中国经济自2020年第2季度起开始复苏，并在2020年度增长了2.3%²。但是，由于全球经济漫长的回升至疫情前的水平仍然不乐观，因此这增长的持续性仍有颇大的不确定性。

尽管面临这些挑战，房托仍坚持以积极的资产管理和审慎的资本管理策略为基础的运营模式，取得了一系列稳定的业绩。在2020财年，房托派发的每单位总股息为新币5.359分，收益率为7.5%³。鉴于疫情的不确定性，房托管理人保留了2020年度可分配总金额的8.7%。如按照100%的派息率计算，2020财年的每单位股息将为新币5.869分。

以稳定为核心

在2020财年，房托的总收入和净收入分别同比增长10.7%和11.8%至1亿零970万新元和1亿零30万新元，这得益于2019年8月对富洲电商的收购后的全年收入，以及各整租的租金递增带来的有机增长。

然而，上述的一次性现金租金回扣和武汉梅洛特的入住率的波动下降，抵消了部分租金增长效应。

截至2020年12月31日，房托的资产总额为80亿2200万元人民币，比去年的估值81亿1800万元小幅下滑。但由于人民币对新元增值的因素，以新元计算，投资组合估值仍从新元15.67亿增至16.24亿新元，增长3.6%。房托管理人会继续努力为房托寻求增值性和增值性投资，以提供可持续的回报。

坚持稳定的策略

房托管理人继续从事积极的资产管理，即使在具有挑战性的宏观经济环境下，也能提高回报的稳定性和可预测性。房托管理人很高兴地汇报，恒德物流与中国烟草浙江工业有限公司（“中烟”）于2020年10月以具有竞争力的价格成功续租了为15万9754平方米的重大租赁。中烟与恒德物流第二期的租约将于2021年5月到期，租赁面积约为7万4057平方米。基于恒德物流第一期租约的成功续签，房托管理人对第二期租约的续约充满信心。

截至2020年12月31日，房托的加权平均租期为3.4年（按总租金收入计算）和2.9年（按净出租面积计算）。

审慎的资本管理

房托的资本结构保持健康，年底的总杠杆率为38.1%，短期内无重大再融资要求。截至2020年12月31日，加权平均债务期限为1.6年，2020财年的运行利率为4.3%。

为减轻货币风险，房托管理人已采用浮动利率转固定利率掉期和交叉货币掉期对冲了境内的贷款货币风险。房托管理人将继续积极探索合适妥善的货币对冲工具和贷款，以优化房托的资本结构。

回馈社会

在2020年4月，鉴于新冠疫情在新加坡的情况，房托经理人和发起人及其旗下的富春国际私人有限公司共同向新加坡捐赠了必要的医疗用品和个人防护设备。作为新加坡的企业公民，我们将社会和环境问题融入到我们的业务运营中，并将继续积极履行我们的社会责任。

房托经理人也还是新加坡交易所为支持新加坡各慈善机构而举办的2020年SGX公牛冲锋赛的赞助商之一。受益机构包括亚洲妇女福利协会，新加坡自闭症协会，飞悦社区服务，HCSA 社区服务及慈善主组共享服务协会这重申了房托以积极的社会参与和为社区做出贡献为重点的理念。

前景展望

新冠疫情影响扩大了许多国家电子商务产业和改变了消费者行为模式。根据Statista的一份报告，预计在2020年至2025年期间，电子商务收入将以每年7.9%的速度增长，这意味着在未来几年，租赁市场将保持强劲和弹性。中国政府对电子商务领域的支持也依然强劲。预计这将在不久的将来为物流行业带来大的创新。

然而，我们不能低估当前局势的波动性。目前疫情的现状取决于各国政府采取的遏制措施和在世界各地的疫苗接种工作。对克服疫情的信念和可实性。因此，无论是国际市场还是国内市场，都在波动中寻求稳定。房托经理人将继续积极管理投资组合，以确保单位持有人获得可持续回报。

致谢

在此，我要感谢我们的单位持有人在这充满挑战的一年中对我们的坚定不移的支持。我们也要感谢我们的董事会、管理层和员工、分析师以及我们所有的业务合作伙伴，感谢他们在2020年继续给予我们的信任和支持。我们期待着继续现有的合作，以开拓新的视野，在未来为房托创造新的成就。

张国标

MANAGEMENT REVIEW

Operations and Management Review

In 2020, ECW continued to build on its sustainable performance since listing on the SGX-ST on 28 July 2016. Working together with the Property Manager, the Manager continued to provide well-maintained good quality assets to its tenants. The acquisition of Fuzhou E-commerce on 8 August 2019 further provided a boost to the EC World REIT's performance. As at 31 December 2020, a 99.3% portfolio occupancy rate was achieved, with the underlying occupancy rate at 87.2%¹.

Healthy Occupancy

The healthy occupancy rate has its foundation in the good mix of master leases, long tenant leases, as well as stickiness of the tenants.

As at 31 December 2020

Assets	Type of Lease (No. of Tenants)	Committed Occupancy Rate
Fu Heng Warehouse	Master leased	100%
Stage 1 Properties of Bei Gang Logistics ("Bei Gang Logistics")	Master leased	100%
Wuhan Meiluote	Multi-tenanted (10 tenants)	86.5%
Fuzhou E-commerce	Master leased (2 tenants)	100%
Hengde Logistics	Multi-tenanted (2 tenants)	100%
Chongxian Port Investment	Master leased	100%
Chongxian Port Logistics	Multi-tenanted (9 tenants)	100%
Fu Zhuo Industrial	Multi-tenanted (2 tenants)	100%

Of the four e-commerce assets, Fu Heng Warehouse, Bei Gang Logistics and Fuzhou E-commerce are on long master leases. Fu Heng Warehouse, Bei Gang Logistics are master leased to Hangzhou Fuyang Yuntong E-Commerce Co., Ltd. (an e-commerce logistics operator under the brand-name of "Ruyicang" 如意仓 that services reputable e-commerce platforms inter-alia, Taobao, Tmall of Alibaba and JD.com) and Forchn Holdings Group Co., Ltd respectively. The warehouse component at Fuzhou E-commerce is master leased to Hangzhou Fuyang Yuntong E-commerce Co., Ltd and the office and support buildings component at Fuzhou E-commerce is master leased to Zhejiang Yuntong E-commerce Co., Ltd. The fourth e-commerce asset, Wuhan Meiluote is a multi-tenanted property whereby "JD.com" 京东 is its major tenant.

In 2020, total retail sales in China declined 3.9% to 39,198.1 billion yuan. However, online retail sales showed an increase of 10.9% year-on-year to 11,760.1 billion yuan in 2020².

According to a report by Mckinsey³, the COVID-19 pandemic has altered consumer buying behaviour and accelerated the adoption of e-commerce and digitalisation. According to Alibaba data, while the total number of logistics orders on the Double 11 shopping festival in 2020 was more than 33 times that of 2012, the time required to deliver these orders in 2020 was just one-fifth of that in 2012⁴. Quality warehouses with specifications that meet the needs of automation and high-frequency distribution are likely to outperform in the long term. Within Hangzhou, total retail sales declined 3.5%. Online retail sales, however, increased by 15.4%⁵. ECW's e-commerce assets in Hangzhou comprising Fu Heng Warehouse, Bei Gang Logistics and Fuzhou E-commerce continues to deliver a set of sustainable operational performance.

¹ Underlying occupancy rate weighted by net lettable area ("NLA").

² http://www.stats.gov.cn/english/PressRelease/202010/t20201019_1794616.html

³ <https://www.mckinsey.com/~media/mckinsey/featured%20insights/china/china%20still%20the%20worlds%20growth%20engine%20after%20covid%2019/mckinsey%20china%20consumer%20report%202021.pdf>

⁴ <https://www.cbre.co.in/china/research-reports/china-real-estate-market-outlook-2021/logistics>

⁵ https://hznews.hangzhou.com.cn/jingji/content/2021-01/29/content_7902517.html

Chongxian Port Investment, a key inland port logistics asset located along the Beijing-Hangzhou Grand Canal, is master leased to Hangzhou Fu Gang Supply Chain Co., Ltd. (a port operator controlling more than 60% of the market share in steel product imports in the Hangzhou region). Hangzhou's economy grew at a rate of 3.9% in 2020, higher than the China's national GDP of 2.3%⁶. Due to the limited supply of inland ports in Hangzhou under the UNESCO Heritage Site zonings along the Beijing-Hangzhou Grand Canal, the port has a sustainable level of demand.

Located beside Chongxian Port Investment, two other port assets, Chongxian Port Logistics and Fu Zhuo Logistics supplement the port operations in the vicinity. Chongxian Port Logistics is leased to 9 tenants who have close business relationships with Chongxian Port Investment.

Hengde Logistics is a specialised logistics asset leased to a state-owned enterprise (China Tobacco Zhejiang Industrial Co., Ltd) for storage of a significant portion of tobacco leaves in Zhejiang province. The asset enjoys limited competition due to its specialised equipment and facilities including temperature and humidity control, high floor loading as well as large floor plates. Hengde Logistics is specially customized to cater to the special requirements of tobacco storage and other humidity and temperature sensitive products and perishable goods. This translates to inherent stickiness from the incumbent tenant and reflects its competitive advantage compared to ordinary warehouses.

Active Lease Management

The Manager works closely with the Property Manager to optimize the occupancy rates of the properties. Existing and prospective tenants are engaged well in advance of lease expiry dates to mitigate risk of non-renewals and vacancies. As at 31 December 2020, the portfolio WALE was 2.9 and 3.4 by committed net lettable area ("NLA") and gross rental income respectively with 15.8% of gross rental income due for renewal in 2021.

During 2020, 100%, 68%, 67%, 62% and 19% of the NLA at Beigang Logistics, Fu Zhuo Industrial, Hengde Logistics, Wuhan Meiluote and Chongxian Port Logistics, respectively, had new or renewal leases signed. These new leases signed in 2020 contributed to 1.7% of the portfolio's FY2020 gross revenue.

The expiry profile of leases that were committed as at 31 December 2020 are shown in the chart below.

Weighted Average Lease to Expiry ("WALE")

⁶ http://tjj.hangzhou.gov.cn/art/2020/1/23/art_1653185_41852534.html

MANAGEMENT REVIEW

The duration and rental escalation of the leases are shown in the table below. Most of the leases have built-in rental escalation, providing unitholders with organic growth.

Property	Lease terms	Rental escalation
E-Commerce Logistics		
Fu Heng Warehouse	Master lease: From 1 Jan 2021 to 31 Dec 2024	2.0% per annum
Bei Gang Logistics	Master lease: From 1 Nov 2020 to 31 Oct 2024	1.0% per annum
Wuhan Meiluote	Multiple tenancies	Up to 5.0% per annum
Fuzhou E-commerce	Master lease: From 8 Aug 2019 to 8 Aug 2024	2.25% per annum
Specialised Logistics		
Hengde Logistics	(1) 5 Oct 2020 to 31 Dec 2023 (2) 9 May 2016 to 8 May 2021	No escalation
Port Logistics		
Chongxian Port Investment	Master lease: From 1 Jan 2021 to 31 Dec 2024	2.0% per annum
Chongxian Port Logistics	Multiple tenancies	Up to 10.0% per annum
Fu Zhuo Industrial	(1) 26 Apr 2020 to 25 Apr 2021 (2) 8 Oct 2014 to 7 Oct 2029	(1) No escalation (2) 7.5% every 3 years

During 2020, the gross revenue of the portfolio was S\$109.7 million and the DPU for the full year was 5.359 Singapore cents per unit. Without income support, the underlying gross revenue would have been S\$87.1 million and the corresponding DPU would have been 3.852 Singapore cents per unit.

As compared to the projected market rent⁷, the gross rent (excluding VAT) for the properties with master leases, namely, Chongxian Port Investment, Bei Gang Logistics, Fu Heng Warehouse and Fuzhou E-Commerce, is approximately RMB 4.3 million, RMB 11.7 million, RMB 2.5 million and RMB 0.2 million lower respectively. This accounts for approximately 3.5% (RMB18.7 million) of the portfolio gross rent (excluding VAT) in 2020.

Property	Gross rent (excluding VAT) in 2020 (RMB '000)
Fu Heng Warehouse	45,900
Fuzhou E-commerce	83,010
Bei Gang Logistics	111,786
Chongxian Port Investment	154,327
Chongxian Port Logistics	61,291
Fu Zhuo Industrial	7,697
Hengde Warehouse	67,833
Meiluote	9,850
Portfolio	541,694

⁷ Based on FY2020 valuation reports by Savills Real Estate Valuation (Guangzhou) Ltd – Shanghai Branch

Diversified Tenancy

As at 31 December 2020, there were a total of 28 different tenants across the portfolio and contribution to gross rental income, based on lock-in rental, by the top 10 tenants is as follows:

Top tenants	Contribution to gross rental income (%)
1. 杭州富港供应链有限公司 Hangzhou Fu Gang Supply Chain Co., Ltd	36.4
2. 富春集团控股有限公司 Forchn Holdings Group Co., Ltd	22.5
3. 富阳运同电子商务有限公司 Zhejiang Fuyang Yuntong E-commerce Co., Ltd	12.4
4. 浙江中烟工业有限责任公司 China Tobacco Zhejiang Industrial Co., Ltd	10.8
5. 杭州富阳运同电子商务有限公司 Hangzhou Fuyang Yuntong E-commerce Co., Ltd	8.4
6. 浙江运通电子商务有限公司 Zhejiang Yuntong E-commerce Co., Ltd	4.2
7. 湖北京邦达供应链科技有限公司 Hubei Jingbangda Supply Chain Techonology	1.1
8. 杭州西联物流有限公司 Hangzhou Xi Lian Logistics Co., Ltd	1.1
9. 网赢供应链有限公司 Wangying Supply Chain Co., Ltd	1.0
10. 武汉京东金德贸易有限公司 Wuhan Jindong Jinde Trading Co., Ltd	0.4

The tenants of the properties operate across diverse industries. The below chart shows the breakdown of tenancy according to trade sector, weighted on gross revenue contribution in 2020.

Tenants Operate Across Diverse Industries

E-COMMERCE LOGISTICS

EC World REIT's e-commerce logistics assets houses tenants mainly from the 3PL industry and e-commerce platforms. To suit the demands of the e-commerce logistics, the warehouses are typically fitted with wide column spacing,

spacious and modern loading docks as well as enhanced safety systems and the integration with inventory and warehouse management technology as well as other value-added features.

Fu Heng Warehouse

Located in Dongzhou Industrial Park, Fuyang District, Hangzhou, Fu Heng Warehouse serves as a full capability e-commerce centre with its integrated and highly developed system of storage and warehousing, inventory control, pick-and-pack services and express delivery capabilities.

Fu Heng Warehouse comprises two four-storey buildings housing e-commerce merchant offices, online-to-offline ("O2O") businesses, retail outlets, and warehouse space.

PROPERTY PORTFOLIO OVERVIEW

PORT LOGISTICS

Strategically located at the side of the National Highway No. 320 and the Jiaxing-Huzhou Expressway, EC World REIT's port logistics assets are coveted assets with prime access to the Beijing-Hangzhou Grand Canal which has been zoned UNESCO Heritage Site. The UNESCO Heritage Site zoning hinders any construction of new ports along the canal, intensifying demand for such quality port operations.

Chongxian Port Investment

Strategically located in north of Hangzhou, on the east bank of the Beijing-Hangzhou Grand Canal, Chongxian Port Investment is one of the key inland port operations in the China. It is the largest inland port in Hangzhou in terms of the total number of berths and the scale of annual throughput, with growing annual throughput, providing income stability to the portfolio.

It is a large and comprehensive logistics complex that integrates, inter alia, port operation, storage processing and logistics distribution for steel products and is currently leased to the port operator, a subsidiary of the Sponsor.

THE PROPERTY MANAGER

The management of the daily operations of EC World REIT's portfolio of properties is undertaken by Yuntong Property Management Co., Ltd. (运通网城资产管理有限公司) ("Yuntong"), a wholly-owned subsidiary of the Sponsor. Yuntong is responsible for providing the following main services to the properties in the REIT's portfolio:

- **Property and Lease Management Services:** To manage rental leases and ensure the desired level of customer service is provided to the tenants of the properties.
- **Marketing Services:** To market and lease vacant space in ECW's portfolio of properties. Where appropriate, the Property Manager may help to enhance the market positioning and attractiveness of the properties, thereby maximising returns to Unitholders.
- **Property Maintenance and Repair Services:** To maintain the properties in good condition.

The Property Manager has a team of experienced professionals dedicated to providing services to ECW's properties. Among the professionals employed by the Property Managers are skilled executives and technicians who have experience in managing well-known real estate developments in China.

The National Development and Reform Commission (NDRC) has granted accreditation to the Property Manager under the Internet Plus Key Project (互联网+重大项目). This accreditation allows the Property Manager to provide value-added services to the tenants of the properties. Examples of such services include the outsourcing of registration and application activities, dealing of logistics and supply chain management solutions and online community service.

STRONG DETERMINATION, FIRM COMMITMENT

We believe that our stakeholders are the heart of our operations.

Through active engagement, we adopt, adapt and accentuate the ways we communicate to affirm the commitment we have to our stakeholders.

BOARD OF DIRECTORS

From left to right: Mr Zhang Guobiao, Mr Chan Heng Wing, Dr Wong See Hong, Mr Chia Yew Boon, Mr Li Guosheng and Mr Goh Toh Sim

MR ZHANG GUO BIAO

Chairman and Non-Executive Director

Born in 1960 in Zhejiang Province, China, Mr Zhang Guobiao is the Chairman of Forchn Holding Group and the Chairman of Zhang Xiao Quan Co., Ltd.

He is the recipient of the National Science and Technology Progress Award, Science and Technology Progress Award of the People's Liberation Army, Zhejiang Province Award for developing socialism with Chinese Characteristics as well as Zhejiang Province Native Model Developer award. He also received accolades including "Outstanding Entrepreneur of Zhejiang Province", "Award of Excellence" by the Third Global Zhejiang Entrepreneurs Convention, "Most Dedicated Contributions" award by the Global Zhejiang Entrepreneur (Shanghai Forum) 2018. In addition, his achievements were cited in various literature and magazines.

In 1992, Mr Zhang founded Forchn Trading. Under his leadership, the small construction materials firm grew into a conglomerate with diversified businesses in supply chain management, manufacturing, healthcare and finance. Since 2003, following the Zhejiang Provincial Government's campaign for successful Zhejiang businessmen residing outside Zhejiang to return and invest in the province, Mr Zhang led the acquisition and modernisation of one of the key inland ports in the PRC, namely Chongxian Port in Hangzhou. He also spearheaded the acquisition and restructuring of a provincial state-owned enterprise, Zhang Xiao Quan Group Co., Ltd. and other investments in hospitality such as the Grand Century Hotel, Fuyang and integrated projects such as China Wood Sculpture Museum. Forchn Group became one of the founders for Cainiao Network in 2013.

At the same time, Ruyicang, an e-commerce omni channel warehousing and distribution platform is a key business in the Forchn Group to support the online and offline integration and development of e-commerce businesses. In 2017, Forchn Group collaborated with Zhejiang Industrial Integration Fund to set up “Hangzhou Unilogix” to build a leading domestic intelligent supply chain platform.

Mr Zhang led the expansion of the Forchn Group in 2016 into the hospitality sector with the acquisition of Fuchun Resort. Located in Hangzhou, Fuchun Resort is a premier integrated holiday resort for business and leisure activities, cultural and artistic events as well as providing high-end wellness facilities.

At the same time, he responded to the national “One Belt and One Road” initiative and set up an overseas investment expansion platform, Forchn International, with Hong Kong and Singapore as the dual headquarters. He actively promoted the company to enter overseas markets by sponsoring EC World Real Estate Investment Trust on its listing on the mainboard of the Singapore Stock Exchange in July 2016. The REIT’s successful listing on the Singapore Mainboard has created a precedent for the listing of Chinese e-commerce logistics assets in the Singapore capital market. Mr Zhang also made headwinds with the embarkment of securitization of “Zhang Xiao Quan” to strive to enhance the popularity and competitiveness of this Zhejiang brand.

In recent years, Mr Zhang led the company to deepen its roots in Zhejiang Province to better serve the country. He also mooted the expansion into Southeast Asia market and is committed to build Forchn Holding Group into a comprehensive service platform industry with social responsibility at the heart of its operations.

MR CHAN HENG WING

*Independent Non-Executive Director and
Lead Independent Director*

Mr Chan was appointed as Non-Executive Director and Lead Independent Director on 21 June 2016. He is also a member of the Nominating and Remuneration Committee.

Mr Chan currently serves as the Non-Resident Ambassador of Singapore to the Republic of Austria. Mr Chan is an independent non-executive director of Banyan Tree Holdings Limited, Frasers Property Limited, Fraser and Neave Limited in Singapore and One Bangkok Holdings in Thailand. He is also a director of Precious Treasure Pte. Ltd. and Precious Quay Pte. Ltd. which owns and operates Fullerton Hotel and Fullerton Bay Hotel respectively. Mr Chan is the Senior Advisor of the Milken Institute Asia Center, a non-profit think tank which is based in the United States and Singapore. Mr Chan was appointed to the Executive Board of the China Cultural Centre in Singapore in 2020.

Mr Chan was previously the Ambassador to Thailand and Consul-General to Hong Kong and Shanghai. He later joined Temasek Holdings (Private) Limited as Chief Representative in China and Managing Director for International Relations in Temasek International (Singapore) Pte. Ltd.

Mr Chan was awarded the Public Administration Medal (Silver) in 1980 by the Singapore Government. He holds a Master of Science from the Columbia Graduate School of Journalism and a Bachelor of Arts and a Master of Arts from the University of Singapore.

BOARD OF DIRECTORS

DR WONG SEE HONG

Independent Non-Executive Director

Dr Wong was appointed as Independent Non-Executive Director on 21 June 2016. He is also the Chairman of the Audit and Risk Committee.

Dr Wong is currently the Chairman of Halftime Limited, Hong Kong. He is a Finance Management Committee Member of the Hong Kong Management Association, Hong Kong. He also serves as the independent non-executive director of China Merchant Bank Co., Limited, Frasers Hospitality Asset Management Pte. Ltd. (the manager of Frasers Hospitality Real Estate Investment Trust) and Frasers Hospitality Trust Management Pte. Ltd. (the trustee-manager of Frasers Hospitality Business Trust) and HDR Global Trading Limited.

Dr Wong was the Deputy Chief Executive of the Bank of China (Hong Kong) Group from 2008 to 2013, with overall responsibility for the financial market businesses which include Global Markets, Global Transaction Banking, Investment Management, Insurance, Asset Management and other capital market-related businesses. He was also a Director of BOC Group Life Assurance Company Limited from 2008 to 2013 and concurrently the Chairman of BOC International- Prudential Trustee Limited. From 2010 to 2012, he was the Chairman of BOCHK Asset Management Limited. Prior to joining the Bank of China (Hong Kong) Group, Dr Wong was the Corporate Executive Vice President and Country Executive of ABN AMRO Bank ("ABN") and was responsible for ABN's operations in South East Asia. He joined ABN in 1995 and had held various senior positions within ABN, including Regional Head of Financial Markets, Country Executive in Singapore, and Managing Director of the Hong Kong Branch. Dr Wong has spent over 30 years in the banking sector and has extensive knowledge and experience in treasury and financial products.

Dr Wong served as a board member of Energy Market Authority until March 2009 and was a Board Member of the Civil Service College in Singapore from March 2007 to October 2013.

Dr Wong graduated from the University of Singapore with a Bachelor's Degree in Business Administration and was awarded a Master's Degree in Science in Investment Management by the Hong Kong University of Science and Technology, and a Doctorate degree in Transformation Leadership from the Bethel Bible Seminary. He is also a Financial Industry Certified Professional with the Institute of Banking and Finance, Singapore.

MR CHIA YEW BOON

Independent Non-Executive Director

Mr Chia was appointed as Independent Non-Executive Director on 21 June 2016. He is also a member of the Audit and Risk Committee, and Nominating and Remuneration Committee.

Mr Chia has more than 30 years of experience working in various fields such as investments, business consultancy and corporate finance.

He is the founding Managing Director of Catalyst Advisors Private Ltd. and Catalyst Advisors International Private Limited, which are both private equity investment and venture capital business consultancy firms. In September 2011, Mr Chia was appointed as an Independent Non-Executive Director of Technovator International Limited, a leading company in energy management systems, solutions and services; it is part of the Tsinghua Tongfang group of companies, whose ultimate controlling shareholder is Tsinghua University.

From July 2005 to June 2007, Mr Chia was the Director of Business Development at SGX-listed Boustead Singapore Limited, and concurrently the Chief Executive Officer of a Boustead subsidiary, ASX-listed EasyCall International Ltd. Prior to that, from January 1999 to June 2005, Mr Chia served as Senior Vice President of GIC Special Investments Pte Ltd. ("GIC SI"), the venture capital and private equity arm of GIC, the sovereign wealth fund of Singapore.

Mr Chia holds a Diplôme d'Ingénieur (equivalent to a Master's Degree in Engineering) from L'École Nationale Supérieure de Chimie de Strasbourg, France.

MR LI GUOSHENG

Independent Non-Executive Director

Mr Li was appointed as Independent Non-Executive Director on 21 June 2016. He is also the Chairman of the Nominating and Remuneration Committee and a member of the Audit and Risk Committee.

Mr Li is the Managing Director of Horizonline Pte Ltd, a company involved in the import and wholesale of security products and systems, since December 2006 and a non-executive director of Horizonline Capital Pte Ltd since May 2019. He is also the Managing Director of Ningbo Horizonline Technologies Co. Ltd., a PRC manufacturing company, since December 2009. From June 2004 to December 2006, he was a technical manager with China Enersave Limited (now known as Charisma Energy Services Ltd), a company that operates in the renewable energy industry, where he was responsible for the evaluation of the waste energy power plants.

Mr Li began his career in 1988 as an electrical engineer with Beilungang Thermal Power Plant Engineering Co. Ltd., a PRC company which constructed thermal power plants. Mr Li has been the President of the Zhejiang (S) Entrepreneurs Association, a non-profit association for people with links to the Zhejiang Province, since 2013.

Mr Li holds a Bachelor Degree in Automation of Electrical Power System from Shanghai Jiaotong University, Shanghai, PRC, and a Master of Business Administration from the National University of Singapore.

MR GOH TOH SIM

Executive Director and Chief Executive Officer

Mr Goh was appointed as Director on 17 May 2016 and took on the roles as Executive Director and Chief Executive Officer of the Manager on 14 February 2018. Please refer to his profile in the Management Team section found on Page 32 of this Annual Report.

MANAGEMENT TEAM

From left to right: Ms Sabrina Tay, Mr Wang Feng, Mr Goh Toh Sim, Ms Gao Yuan and Mr Teo Kah Ming

MR GOH TOH SIM

Executive Director and Chief Executive Officer

Mr Goh has over 25 years of experience in the management of industrial parks, real estate development and business management in China. Prior to joining the Manager, he was the Chief Representative in China for Keppel Corporation Limited where he was responsible for government relations and business development.

Prior to that, Mr Goh was the Chief Executive Officer of SGX-listed Evergro Properties Limited, a real estate developer in Tianjin, Jiangyin and Changzhou.

Mr Goh also served as the Chief Executive Officer of Ascendas (China) Pte Ltd from January 2004 to June 2006, where he was responsible for developing and managing Ascendas' businesses in China. He was the Deputy Chief Executive Officer of China- Singapore Suzhou Industrial Park Development Co., Ltd. from January 2000 to December 2003 where he was responsible for infrastructure development, finance and government relations.

Mr Goh holds a Diplôme d' Ingénieur (French engineering degree which is equivalent to a Master's degree) in Telecommunications from the Ecole Nationale Supérieure des Télécommunications, Paris, France, and a Master of Business Administration from INSEAD, Fontainebleau, France.

MR WANG FENG (FCCA, CA, CIA)

Chief Financial Officer

Mr Wang is responsible for the overall finance, accounting, tax, treasury, risk management function for ECW REIT as well as overseeing compliance matters and the implementation of EC World REIT's short and medium-term business plans, and REIT management activities. Prior to his current appointment, he was heading the compliance and risk management functions of the Manager where he is responsible for internal audit, risk management and compliance with requirements under the Securities and Futures Act and the Code on Collective Investment Schemes for ECW and the Manager.

Prior to joining the Manager, Mr Wang was an Audit Manager with KPMG Singapore. He spent over 5 years at KPMG providing audit and review services to many multinational corporations listed in Singapore and overseas exchanges. Mr Wang has in-depth knowledge on key corporate reporting issues such as valuation, lease and revenue recognition in construction, shipping and freight forwarders, offshore oil and gas segment, health and aviation industry. In addition, Mr Wang had more than 12 years' experience as a project manager in real estate development industry before joining KPMG.

Mr Wang is currently a Fellow member (FCCA) of Association of Chartered Certified Accountants in United Kingdom, a Chartered Accountant (CA) with Institute of Singapore Chartered Accountants and a Certified Internal Auditor (CIA) accredited by the Institute of Internal Auditors.

MR TEO KAH MING

Vice President, Investment & Asset Management

Mr Teo is responsible for evaluating and executing of acquisition transactions. He is also responsible for driving business plans and strategic initiatives to maximise asset performance. He has more than 15 years of experience in the real estate industry, covering areas such as contracts management, property development and asset management.

He graduated with a Bachelor's degree in Science (Building) and obtained a Graduate Certificate in Real Estate Finance from National University of Singapore.

MS SABRINA TAY

Senior Manager, Investor Relations

Ms Tay brings about more than 13 years of experience in investor relations and corporate communications. She is responsible for formulating and executing investor relations programmes for the equity research and investor community. She is also the key liaison person for media relations as well as other communications initiatives.

Prior to joining ECW, she was handling a portfolio of investor relations and corporate communications responsibilities for many blue-chip companies including Sembcorp Marine Limited, Keppel Land and Ascendas REIT.

Ms Tay holds a Bachelor of Arts in Mass Communications from RMIT University and a Diploma for Graduate in Finance from the University of London (External Programme).

MS GAO YUAN

Senior Finance Manager

Ms Gao Yuan assists the Chief Financial Officer in financial reporting, taxation and financial planning & analysis matters of the REIT. She has over 8 years of experience in statutory reporting, taxation and finance.

Ms Gao Yuan started her career as an external auditor with KPMG LLP Singapore within the real estate segment, providing audit and review services for a number of clients including listed real estate companies, REITs and business trusts.

She graduated with a Bachelor's degree in Accountancy (Honours) from the Nanyang Technological University of Singapore. She is a Chartered Accountant (CA) with Institute of Singapore Chartered Accountants.

STAKEHOLDERS ENGAGEMENT AND INVESTOR RELATIONS

Acknowledging, Adapting, Adopting – A new norm to engage the investing community

The COVID-19 pandemic has created unpredictable impact on the usual ways to engage with the investing community. Since February 2020, face-to-face meetings have been minimized, replaced by the new norms of video-conferencing, webinars as well as emails and calls. With the support of the partners at SGX and REIT Association of Singapore (REITAS), the Manager participated in numerous webinars focusing on SREITs, e-commerce as well as China in an effort to reach out to institutional investors as well as fund managers from private wealth management. Regular post-results briefings were also conducted for analysts as part of the Manager's investor outreach programmes.

Regular and transparent communication with Unitholders, prospective investors, analysts as well as the media remains key in our communication efforts. The Manager values

corporate transparency and strives for high standards of corporate governance and disclosures. Financial results, announcements, press releases, presentation slides and other relevant disclosures are issued through SGXNET first before posted on ECW's website at www.ecwreit.com. Unitholders and other stakeholders can subscribe to email alerts via the website to receive the latest updates on ECW.

In December 2020, ECW was awarded three awards by The Edge magazine, namely, (1) Company of the Year (REIT); The Edge Singapore Centurion Club 2020 (Overall Sector Winner); and The Edge Singapore Centurion Club 2020 (Growth in PAT over 3 years) under The Edge Singapore Centurion Club category. The Edge Singapore Centurion Club (CC) recognises excellence in companies listed on the Singapore Exchange (SGX), with a market capitalization of between \$100 million and \$999 million.

SUSTAINABILITY

As EC World REIT continues to expand its portfolio of assets, the Manager recognises the importance of sustainability as a key business driver and a critical component of the REIT's success. The Manager continues to plan and undertake ESG initiatives and projects in day-to-day operations to create favourable financial and non-financial impacts. Through training and development, the Manager also seeks to enhance sustainability awareness among ECW's stakeholders and Unitholders. We continue to foster quality stakeholder relationships, and support our people and partners in every way possible to achieve the goal of sustainable long-term value creation for all.

At ECW, the Executive Director and Chief Executive Officer of the Manager, Mr Goh Toh Sim, leads the assessment of ECW's Environmental, Social and Governance ("ESG") policies and practices. The senior management of the Manager and Property Manager facilitate the evaluation and account for the sustainability practices. Through adaptation of the best corporate practices in the ESG framework and in accordance to the SGX-ST Listing Manual Rules 711(A) and 711(B), the Global Reporting Initiatives (GRI Standards – Core Option) and GRI's Construction and Real Estate Sector Supplement ("CRESS"), the Manager is constantly adapting and implementing initiatives and programmes and disclosing the ESG performance to reach new heights in ECW's sustainability journey.

OUR RESPONSE TO COVID-19

This year, the COVID-19 pandemic proved to be a potentially severe threat to the global economy. Against this challenging backdrop, EC World REIT remained committed in our efforts to minimise the impact of COVID-19 on our operations through our business continuity plans. As the well-being of our stakeholders remains our utmost priority, we have various health and safety measures in place to protect our people and partners. We do not foresee any COVID-19 related material impacts to our financial strength in 2020 and beyond, and believe EC World REIT continues to be well-placed to manage our sustainability strategy.

Governance

Robust risk management is key to the business at EC World REIT and its subsidiaries (collectively, the "ECW Group"). The Manager timely and proactively undertakes the identification, management, monitoring, and reporting of material risks for the strategy and operations across the EC World REIT Group.

Enterprise Risk Management

The Audit and Risk Committee (the "ARC") assists the Board who is responsible for executing and overseeing the risk management functions of ECW. The Board's responsibilities include the determination of ECW Group's risk appetite, and the oversight of the Manager's Enterprise Risk Management ("ERM") Framework. In addition, the Board regularly reviews ECW Group's risk profile, material risks and mitigation strategies, and ensures the effectiveness of risk management policies and procedures. The ERM programme consolidates the ECW Group's risk management practices in a structured framework, and is substantively in line with best practices in Singapore.

Code of Business Conduct

At ECW, the Manager takes responsibilities of maintaining the integrity and reputation of our business. All employees are required to comply with applicable laws and regulations, code of conduct, and internal ethical standards. ECW and the Manager of ECW do not tolerate any unethical behaviours and takes disciplinary actions without hesitation. A diverse range of policies on regulatory compliance are adopted to ensure ethical behaviours during the conduct of businesses. These include Insider Trading, Gifts and Entertainment Policy, Anti-Money Laundering and Countering the Financing of Terrorism, Prevention of Corruption Act ("PCA"), Use of Employee Personal Data, as well as policies on the Access and Correction Requests of the Employee.

Regarding cross-boundary transactions, the Manager requires employees to strictly abide by the laws and regulations in the operating countries. When it comes to conflicts of interest, the Manager implements policies to identify and manage any potential cases between the Manager, its directors, and employees. Standard procedures in place include internal mediation and disclosure with the consent from the affected party.

The Manager requires all employees to make an annual declaration where they pledge to uphold the Manager's core values and not engage in any corrupt or unethical practices.

Whistle-Blowing Policy

EC World REIT adopted a clear, firm, and trust-worthy whistle-blowing policy to enhance the effectiveness of the risk management as well as strength of ethics and integrity. All employees are encouraged to report concerns and possible ethical breaches such as fraud, corruption, bribery or blackmail, criminal offences, non-compliance with legal or regulatory requirements, miscarriage of justice, health and safety threats and risks. Apart from the independent investigations, follow-up plans and corrective actions to protect our business, the policy also ensures the security and privacy of whistle-blowers. It protects them from discrimination, retaliation, harassment or reprisal of any kind. The Manager has designated a receiving officer for any whistle-blowing reports who works closely with the ARC to investigate reported matters if any, and remedial measures are taken where warranted.

ENVIRONMENTAL

As a responsible organisation, the Manager is fully aware of its duty to protect the environment and combat global warming by maximising the energy efficiency across ECW's properties. The Manager constantly reviews its energy consumption trends and seek to implement feasible and cost-effective energy-saving initiatives across ECW's properties. This year, ECW continues to implement energy saving initiatives and increase general awareness of energy conservation for relevant personnel, and our efforts to reduce our energy consumption has contributed to the reduction in energy consumption this year.

SOCIAL

Asset improvements

Quality property management not only improves our tenants' leasing experience, but also generates sustainable returns to unitholders via competitive rental rates at our properties. The Manager continues to assess the necessity for improvements that can be made to our assets, facilities and equipment, and implement relevant upgrading projects and production innovation strategies. This year, despite the difficulties brought about by the COVID-19 pandemic, ECW continued to push forward on upgrading its facilities, such as upgrading the sewage pipe network reconstruction project in Chongxian Port Area and installing exhaust fans in Fu Heng Warehouse and Fuzhou E-Commerce Facilities.

Giving Back to the Community

Building on its belief of giving back to the community which it does businesses in, the Manager continues to provide opportunities for its employees to give back to society in its effort to be a responsible corporate citizen.

Given the COVID-19 situation this year, ECW stands in solidarity with the community ECW operates in. Essential medical supplies and personal protective equipment were donated through the Manager and ECW's sponsor, Forchn International Pte. Ltd. to Singapore in April 2020.

In addition, the Manager was one of the Bronze Bull sponsors for the 2020 SGX Bull Charge Run organized by the Singapore Exchange (SGX). The SGX Bull Charge Run supports various charities in Singapore including AWWA Ltd., Autism Association (Singapore), Fei Yue Community Services, HCSA Community Services and Shared Services for Charities.

The Manager will persevere with its sustainability efforts to ensure long-term sustainability and success of ECW. ECW's full sustainability report will be published by May 2021.

CORPORATE GOVERNANCE

Our Corporate Governance Culture

EC World Asset Management Pte. Ltd. (the “**Company**”) as the manager (the “**Manager**”) of EC World Real Estate Investment Trust (“**ECW**”) aspires to achieving the highest standards of corporate governance. The Manager is committed to ongoing improvement in corporate governance. It has developed and, on an ongoing basis, maintains sound and transparent policies and practices to meet the specific business needs of ECW and to provide a firm foundation for a trusted and respected business enterprise. The Manager shall endeavour comply with the substance and spirit of the principles and provisions of the Code of Corporate Governance 2018 (the “**Code**”) while achieving operational excellence and delivering ECW’s long-term strategic objectives. The Board of Directors of the Manager (the “**Board**”) is responsible for the Manager’s corporate governance standards and policies, underscoring their importance to the Manager.

This report sets out the corporate governance framework and practices for the financial year ended 31 December 2020 (“**FY2020**”) with reference to the Code. Where there are deviations from the principles and provisions of the Code, explanations are provided within this report.

Our primary role as the Manager is to establish the strategic direction of ECW in accordance with its mandate and make recommendations to DBS Trustee Limited, in its capacity as trustee of ECW (the “**Trustee**”), on any investment opportunities for ECW and the enhancement of the assets of ECW in accordance with the stated investment strategy for ECW. The research, evaluation and analysis required for these purposes are coordinated and carried out by us as the Manager.

As the Manager, we have general powers of management over the assets of ECW. Our primary responsibility is to manage the assets and liabilities of ECW for the benefit of the unitholders of ECW (the “**Unitholders**”). We do this with a focus on generating rental income and enhancing asset value over time so as to maximise the returns from the investments, and ultimately the distributions and total returns to Unitholders.

(A) BOARD MATTERS

The Board’s Conduct Of Affairs

Principle 1:

An effective Board for the long-term success of ECW

The Board is collectively responsible for the long-term success of ECW. The Board works with the management team of the Manager (“**Management**”) to achieve this and Management remains accountable to the Board.

The Board oversees the affairs of the Manager in furtherance of the Manager’s primary responsibility of managing the assets and liabilities of ECW for the benefit of Unitholders. All Directors exercise due care and independent judgement and make decisions objectively in the best interests of Unitholders. Apart from the Board’s statutory duties and responsibilities, the Board provides leadership to the Chief Executive Officer (“**CEO**”) and Management and sets the strategic vision, direction and long-term objectives for ECW.

The Board establishes goals for Management and monitors the achievement of these goals. It ensures that proper and effective controls are in place to assess and manage business risks and compliance with requirements under the Listing rules of the SGX-ST (“**Listing Rules**”), the Property Funds Appendix, as well as any other applicable guidelines prescribed by the SGX-ST, MAS or other relevant authorities, and applicable laws. It also sets the values, disclosure and transparency standards for ECW and ensures that obligations to Unitholders and other stakeholders are understood and met.

The Board considers sustainability issues such as environmental, social and governance factors as part of its strategic formulation and has identified the key stakeholder groups and recognises that their perceptions affect ECW's reputation.

The Board has formalised a set of internal controls wherein key matters are specifically reserved for approval by the Board. To facilitate operational efficiency, approval of operational transactions below certain level is delegated to Management.

The Board has reserved authority to approve certain key matters and these include:

- (a) acquisitions, investments, disposals and divestments;
- (b) issue of new units in ECW ("**Units**");
- (c) income distributions and other returns to Unitholders;
- (d) matters which involve a conflict of interest with a controlling unitholder or a Director;
- (e) corporate strategies and policies of ECW;
- (f) annual budget;
- (g) financial performance of ECW and to approve the release of quarterly and full year results;
- (h) audited financial statements.

To keep pace with regulatory changes, where these changes have an important bearing on the disclosure obligations of the Manager or its Directors, the Directors are briefed either during Board meetings of the Manager or at specially convened sessions involving the relevant advisers and professionals if necessary, or via circulation of Board papers. Management will also provide the Board with relevant and adequate information in a timely manner through regular updates, and at least quarterly during the quarterly Board meetings on financial results, market trends and business developments.

The Directors are kept abreast of any updates to the Listing Rules, the Securities and Futures Act, the Code on Collective Investment Schemes (the "**CIS Code**") and the Companies Act, as well as any applicable laws, regulations and rules. The Directors who are members of the Audit and Risk Committee are also updated on any changes in the financial reporting standards by the external auditors.

The Directors also receive regular briefings and updates on relevant laws, rules and regulations and are encouraged to participate in conferences, seminars or training programmes in connection with their duties. The costs of arranging and funding of the training of Directors are borne by the Manager. In FY2020, certain Directors had attended seminars conducted by Singapore Institute of Directors or professional firms and Singapore Corporate Governance Week organised by Securities Investors Association (Singapore). Directors also attended webinar courses organized by REIT Association of Singapore ("**REITAS**") which includes "Rules and Ethics" as well as "What you need to know as an Independent Director of a REIT manager – issues arising from COVID 19" in November 2020. A training register is maintained with respect to the courses/seminars attended by Directors and such register is also tabled for the Nominating and Remuneration Committee ("**NRC**") for information at its meeting.

All Directors are given formal appointment letters setting out the terms of their appointment as well as their duties and obligations.

Newly appointed Directors will be briefed on the business activities of ECW, its business plan, the regulatory environment in which ECW operates, its corporate governance practices and their statutory duties and responsibilities as Directors. There was no new director appointed during FY2020.

CORPORATE GOVERNANCE

The Board has established two board committees (the “**Board Committees**”) which will submit their recommendations to assist the Board in the discharge of its functions. These Board Committees are the Audit and Risk Committee (the “**ARC**”) and the NRC. The current composition of the Board and Board Committees is set out in the table below.

Current Composition of the Board and Board Committees

Board	ARC	NRC
Mr Zhang Guobiao (Chairman)	Dr Wong See Hong (Chairman)	Mr Li Guosheng (Chairman)
Mr Chan Heng Wing	Mr Chia Yew Boon	Mr Zhang Guobiao
Dr Wong See Hong	Mr Li Guosheng	Mr Chan Heng Wing
Mr Chia Yew Boon		Mr Chia Yew Boon
Mr Li Guosheng		
Mr Goh Toh Sim		

Each of these Board Committees operates under its own terms of reference, with the Board retaining overall oversight. A summary of the terms of reference and the activities undertaken by the Board Committees are set out in the relevant sections of this report. The Board may form other board committees as and when required. Membership of the Board Committees is managed to ensure an equitable distribution of responsibilities among Board members, to maximise the effectiveness of the Board and to foster active participation and contribution from Board members. Diversity of experience and appropriate skills are considered in the composition of the respective Board Committees.

The Board meets at least once every quarter, and as and when required between the scheduled meetings. Where exigencies prevent a Director from attending a Board meeting in person, the Constitution of the Manager permits the Director to participate via teleconferencing or video conferencing. The Board and Board Committees may also make decisions by way of passing written resolutions.

All draft agendas for meetings are prepared by the Company Secretary and reviewed by the Chairman of the Board or the Chairman of the respective Board Committees. Papers and/or other information are forwarded to the Directors in advance of each meeting, enabling sufficient time for their review and consideration. Management is also invited to attend the meetings to present information and/or render clarification when required.

Directors may request for explanations, briefings by or discussions with Management on any aspect of ECW’s operations or business. When circumstances require, Board members exchange views outside the formal environment of Board meetings. The Independent Directors meet without the presence of Management on a need basis.

A total of five Board meetings were held in FY2020. A table showing the attendance record of the Directors at meetings of the Board, Board Committees and general meeting during FY2020 is set out on page 46 of this Annual Report. At the Board and Board Committees meetings, the Directors actively participate, discuss, deliberate and appraise matters requiring their attention and decision. Where necessary for the proper discharge of their duties, the Directors may seek and obtain independent professional advice at the REIT Manager’s expense.

The Manager believes in the overall contribution of its Directors beyond their attendance at formal Board and Board Committees meetings. The Manager believes that judging a Director's contributions based on his attendance at formal meetings alone would not do justice to his overall contributions, which include being accessible to Management for guidance or exchange of views outside the formal environment of Board and Board Committee meetings.

At all times the Directors are collectively and individually obliged to act honestly and with diligence, and to consider the best interest of Unitholders. In addition to disclosure of any interest a Director may have in a matter under consideration by the Board, any Director who is in a conflict-of-interest situation is also required to abstain from participating in discussions and decision on the matter.

Management provides directors with complete, adequate and timely information prior to Board and Board Committees meetings and on an ongoing basis, to enable the Directors to make informed decisions to discharge their duties and responsibilities. Reports on ECW's performance are also provided to the Board on a regular basis. Management provides update on ECW's business and operations as well as financial performance, presentations in relation to specific business areas are also made by key executives and external consultants and/or experts.

Where appropriate, informal meetings are also held for Management to brief Directors on prospective deals and potential developments in the early stages before formal Board approval is sought.

Board and Board Committees meetings for each year are scheduled in advance to facilitate the Directors' arrangements and commitments. Board papers are circulated in advance of each meeting and include background explanatory information for the Directors to prepare for the meeting and make informed decisions. Board papers are uploaded onto tablet devices for the Directors. Board papers which are confidential and sensitive nature are distributed to the Directors on the day of meeting.

Directors have separate and independent access to Management, the Company Secretary, and external advisers (where necessary). The appointment and removal of the Company Secretary is a decision of the Board as a whole.

Board Composition And Guidance

Principle 2:

Appropriate level of independence and diversity of thought and background

The NRC reviews from time to time the size and composition of the Board with a view to ensuring that the size of the Board is appropriate in facilitating effective decision-making in the best interests of the ECW and its Unitholders, taking into account the scope and nature of the operations of ECW and its subsidiaries (the "ECW Group"); and that the Board has a strong independent element.

The Board comprises six (6) Directors: one (1) Executive Director ("ED"), one (1) Non-Executive Director (the "NED") and four (4) Independent Non-Executive Directors (the "IDs"). The Chairman of the Board is a non-independent NED. In compliant with the Code, the IDs and NEDs make up a majority of the Board.

The Board has put in place a formal Board Diversity Policy which recognises that a diverse Board will enhance decision making process by utilising a variety in skills, industry and business experience, gender, age and other distinguishing qualities of the members of the Board. In accordance with the Board Diversity Policy, the NRC shall strive for the inclusion of diverse groups and viewpoints. If there is a need for Board renewal or adding in new member, the Board will abide by the Board Diversity Policy in its search of the new director candidate. The final decision on selection of directors will be based on merit against the objective criteria set and after giving due regard for the benefits of diversity on the Board.

CORPORATE GOVERNANCE

Diversity will be considered in determining the optimum composition of the Board as a whole. The Board believes that board diversity is more than just about gender diversity and embraces other factors such as a need for individuals from all backgrounds, skill-sets, life experiences, abilities and beliefs for better Board performance.

The current Board comprises individuals who are business leaders and professionals with financial, banking, real estate, strategic planning and investment backgrounds. The varied backgrounds of the Directors enable Management to benefit from their diverse expertise and experience. The Board, supported by the NRC, on an annual basis, also reviews the Board's diversity, covering aspects ranging from skills, experience, background, gender, age, ethnicity and culture, tenure of service, independence and other competencies and is of the view that the current Board size is appropriate taking into consideration the nature and scope of ECW's operations.

Each Director brings to the Board skills, experience, insights and sound judgement which, together with his strategic networking relationships, serve to further the interests of ECW. Profiles of the Directors are provided on pages 28 to 31 of this Annual Report.

Currently, there is no alternate Director appointed.

The NRC reviews annually the independence of each Director in accordance with the guidelines in the Code and the Securities and Futures (licensing and Conduct of Business) Regulations ("SF(LCB)R"), and the existence of relationships or circumstances. Under the enhanced independence requirements set out in the SF(LCB)R, an independent Director is one who: (i) is independent from Management and business relationship with the Manager and ECW; (ii) is independent from any substantial shareholder of the Manager and any substantial unitholder of ECW; and (iii) has not served on the Board for a continuous period of nine years or longer.

Each ID had provided declarations of their independence which have been deliberated upon by the NRC. The NRC is of the view that the IDs are independent and that no individual or small group of individuals dominate the Board's decision making process. The Board has determined after taking into account the views of the NRC, that each of Mr Chan Heng Wing, Dr Wong See Hong, Mr Chia Yew Boon and Mr Li Guosheng to be independent in terms of their character and judgement in the discharge of their responsibilities as Directors and there are no relationships or circumstances which are likely to affect, or could appear to affect, the Director's judgement. Each member of the NRC had recused himself from deliberations on his own independence.

The IDs contribute to the Board process by monitoring and reviewing Management's performance against goals and objectives. Their view and opinions provide alternative perspectives to ECW's business and enable the Board to make informed and balanced decisions. IDs also enable the Board to interact and work with Management to help shape the strategic process.

When reviewing Management proposals or decisions, the IDs bring their objective judgement to bear on business activities and transactions involving conflicts of interest and other complexities.

Chairman And Chief Executive Officer

Principle 3:

Clear division of responsibilities between the Chairman of the Board and Chief Executive Officer (“CEO”) of the Manager

To maintain an appropriate balance of power, increased accountability and greater capacity of the Board for independent decision making, the roles and responsibilities of the Chairman and the CEO are held by separate individuals.

The Non-Executive Chairman, Mr Zhang Guobiao, is responsible for leadership of the Board and for creating the conditions for overall effectiveness of the Board, Board Committees and individual Directors. This includes setting the agenda of the Board in consultation with the CEO and promoting constructive engagement among the Directors as well as between the Board and the CEO on strategic issues.

The CEO has full executive responsibilities over the business directions and operational decisions of ECW and is responsible for implementing ECW's strategies and policies and conducting ECW's business.

The Chairman and the CEO are not immediate family members. The separation of the roles of the Chairman and the CEO and the clarity of roles provide a healthy professional relationship between the Board and Management, and facilitate robust deliberations on the business activities of ECW and the exchange of ideas and views to help shape the strategic process.

During the year, the NRC and Board had reviewed and adopted the terms of reference of Chairman and CEO which sets out clearly their respective duties.

The Chairman, leads the Board and ensures the effectiveness on all aspects of its role. His responsibilities include, *inter alia*:

1. constructively determining and approving, with the full Board, the Manager's strategy;
2. ensuring that the Board is properly organized, functioning effectively and meeting its obligations and responsibilities;
3. setting the agenda and ensuring adequate time is available for discussion of all agenda items, in particular, strategic issues;
4. ensuring that Directors receive complete, adequate and timely information;
5. fostering effective communication and constructive relations amongst the Directors, within Board Committees, between Unitholders, between the Directors and Management;
6. encouraging the constructive exchange of views within the Board and between Board members and Management;
7. facilitating the effective contribution of NED and ID;
8. promoting a culture of openness and debate at the Board level and promoting high standards of corporate governance; and
9. establishing a relationship of trust with the CEO.

CORPORATE GOVERNANCE

The CEO leads the Management and ensures the development and execution of the Manager's long-term strategy and plans:

1. day-to-day running of the Manager's and ECW Group's business in accordance with the business plans and within approved budgets;
2. meeting or communicating with the Chairman on a regular basis to review key developments, issues, opportunities and concerns;
3. developing and proposing the Manager's strategies and policies for the Board's consideration;
4. implementing the strategies and policies approved;
5. maintaining regular dialogue with the Chairman on important and strategic issues facing the Manager and ECW Group;
6. providing timely reports to the Board which contain relevant, accurate, timely and clear information necessary for the Board to fulfil its duties;
7. ensuring the Board is alerted to forthcoming complex, contentious or sensitive issues affecting the Manager and ECW Group of which they might otherwise not be aware; and
8. overseeing the affairs of the Manager and ECW Group in accordance with the practices and procedures adopted by the Board and promoting the highest standards of integrity, probity and corporate governance within the Manager and ECW Group.

In view that the Board Chairman is not an independent director, Mr Chan Heng Wing was appointed as the Lead Independent Director who will avail himself to Unitholders if they have concerns and for which contact through normal channels of Chairman, the CEO or the Chief Financial officer ("CFO"), has failed to resolve or is inappropriate.

Board Membership

Principle 4:

Formal and transparent process for the appointment and re-appointment of directors to the Board

The Board has established a NRC to make recommendations to the Board on all Directors' appointment/re-appointment and related matters including reviewing the structure, size and composition of the Board, reviews the independence of Directors, reviews the training and professional development programme for the Board and reviewing the performance and independence of Board members. The NRC seeks to ensure that the composition of the Board provides an appropriate balance and diversified skills, experience and knowledge of the industry and that the Directors, as a group, have the necessary core competencies relevant to ECW's business.

The NRC comprises four NEDs, a majority of whom, including the NRC Chairman are IDs. The members of the NRC are:

Mr Li Guosheng	(Independent Non-Executive Director)	Chairman
Mr Chan Heng Wing	(Independent Non-Executive Director and Lead Independent Director)	Member
Mr Chia Yew Boon	(Independent Non-Executive Director)	Member
Mr Zhang Guobiao	(Non-Executive Director)	Member

The NRC has adopted a process for selecting, appointing and re-appointing Directors. The NRC will consider different channels to source candidates for Board appointment, depending on the requirements, including tapping on existing network of contacts and recommendations. External consultants may be engaged where appropriate to assist in assessing and selecting potential candidates. Suitable candidates are carefully evaluated by the NRC so that recommendations made on proposed candidates are objective and well supported. The said process also includes setting the tenure of Directors as well as the Directors' fees framework.

The NRC will review the suitability of any candidates put forward for appointment and re-appointment, having regard to the skills required and the skills represented on the Board and whether a candidate's skills, knowledge and experience will complement the existing Board and whether he/she has sufficient time available to commit to his/her responsibilities as a Director, and whether he/she is a fit and proper person for the office in accordance with the Guidelines on Fit and Proper criteria issued by MAS (which require the candidate to be, among other things, competent, honest, to have integrity and be financially sound).

The adopted process takes into account the requirements in the Code that the composition of the Board, including the selection of candidates for new appointments to the Board as part of the Board's renewal process, be determined using the following principles:

- (a) the Board should comprise Directors with a broad range of commercial experience, including expertise in funds management, the property industry, banking and strategic planning;
- (b) independent directors make up a majority of the Board where the Chairman is not independent; and
- (c) non-executive directors make up a majority of the Board.

Directors of the Manager are not subject to periodic retirement by rotation, nor re-appointment through voting by Unitholders. Since the majority of the Board comprises IDs, the Manager will not voluntarily subject the appointment or re-appointment of directors to voting by Unitholders. The Board intends to continue with the principle that majority of the Board shall comprise IDs.

The Manager believes that Board renewal is a necessary and continual process, for good governance and ensuring that the Board and its Board Committees comprise Directors who as a group provide an appropriate balance and diversity of skills, experience and industry knowledge and knowledge ECW's business; renewal or replacement of a Director therefore does not necessarily reflect his performance or contributions to date. The term of each Director is for a period of three years, which is extendable for two additional terms of three years each.

In reviewing its Board composition, the NRC and the Board will also consider the internal guidelines that an ID should serve for no more than a maximum of nine years.

Apart from the above, the responsibilities of the NRC as set out in its terms of reference include:

- (a) review of the Board composition at least annually as well as on each occasion when an existing Director gives notice of his intention to retire or resign. This is to assess the collective skills, knowledge and experience of Directors represented on the Board to determine whether the Board, as a whole, has the skills, knowledge and experience required to achieve the Manager's objectives for ECW;
- (b) review of Board succession plans for Directors, in particular, the Chairman of the Board, the CEO and key management personnel ("KMP");
- (c) review of the performance of the Board, Board Committees and Directors annually;
- (d) review of training and professional development programmes for the Board;

CORPORATE GOVERNANCE

- (e) the appointment and re-appointment of Directors. No member of the Board will be involved in any decision of the Board relating to his own appointment, re-appointment or assessment of independence. external consultants may be engaged from time to time to identify potential directors;
- (f) review and determine the independence of IDs (including a person proposed to be appointed as a director), having regard to the independence criteria set out in the SF(LCB) Regulations.
- (g) the development of a remuneration policy with regard to the objective of attracting, rewarding and retaining performing staff.

Summary of activities carried out by the NRC during the year is as below:

- i) reviewed the Board composition;
- ii) reviewed the succession planning of KMP;
- iii) reviewed performance of the Board, Board Committees and individual Directors;
- iv) reviewed the training and professional development programmes for the Board;
- ii) reviewed the independence of IDs;
- v) reviewed the tenure of Directors;
- iii) reviewed the renewal of tenure of certain Directors; and
- vii) reviewed the key performance indicators of the CEO and KMP.

A Director with multiple directorships is expected to ensure that sufficient attention can be and is given to the affairs of the Manager in managing the assets and liabilities of ECW for the benefit of Unitholders. All Directors had confirmed that they were able to devote sufficient time and attention to the affairs of the Manager in managing the assets and liabilities of ECW for the benefit of Unitholders. Taking into account also the attendance, preparedness, participation and candor of the Directors at meetings of the Board and Board committees during FY2020, the NRC is of the view that the current commitments of each of its Directors are reasonable and each of the Directors is able to and has been adequately carrying out his duties. In consultation with the NRC, the Board has prescribed that its IDs may not hold more than six directorships in other public listed companies and its executive Directors not more than two directorships in other public listed companies other than the one he is serving.

Attendance Record of Meetings for FY2020

	BOD	NRC	ARC	General Meeting
	No. of Meetings Held	No. of Meetings Held	No. of Meetings Held	No. of Meeting Held

Mr Zhang Guobiao	5	2	-	1
Mr Chan Heng Wing	5	2	1*	1
Dr Wong See Hong	5	1*	4	1
Mr Chia Yew Boon	5	2	4	1
Mr Li Guosheng	5	2	4	1
Mr Goh Toh Sim	5	2*	4*	1

* By invitation

Board Performance

Principle 5:

Formal annual assessment of the effectiveness of the Board as a whole and that of each of its board committees and individual directors

The Board has put in place a formal system of evaluating Board performance and assessing the effectiveness of the Board, the Board Committees and the individual Directors through the use of performance evaluation forms.

The evaluation of Board's performance as a whole deals with matters on Board composition, information, process, accountability, risk management and internal controls and standards of conduct. The Board Committees' evaluation deals with the efficiency and effectiveness of each Board Committee in assisting the Board. The criteria for the evaluation of individual Directors include, amongst others, the Directors' attendance and participation at Board and Board Committee meetings, understanding of business plans and strategies, and ability to articulate thoughts and opinions in a clear and concise manner.

Each Director is required to objectively assess his personal performance and collectively, the performance of the Board as a whole and its Board Committees. For FY2020, the Directors had completed the evaluation forms and returned them to the company secretary of the Manager ("**Company Secretary**") for compilation of the summary of the results of the evaluation. The summary was tabled at the NRC's meeting for the NRC's review.

The performance evaluation of the Board and the Board Committees in respect of FY2020 was carried out in February 2021. The NRC was satisfied with the Board, Board Committees and Individual Directors' performance evaluation results which indicated that each and every Director had demonstrated commitment and had contributed to the effective functioning of the Board and the Board Committees. Individual Directors have recommended means to further enhance the Board. No external facilitator was used in the evaluation process. The NRC had discussed the results and recommendations with the Board who would work on further enhancement areas.

(B) REMUNERATION MATTERS

Procedures For Developing Remuneration Policies

Principle 6: Procedures for Developing Remuneration Policies

Principle 7: Level and Mix of Remuneration

Principle 8: Disclosure on Remuneration

ECW is externally managed by the Manager and accordingly has no personnel of its own. Remuneration of all Directors and employees of the Manager are paid by the Manager and not by ECW. The Manager adopts the principle that remuneration for the Board and Management should be assessed holistically. The remuneration structure supports the continuous development of the management team to ensure robust talent management and succession planning.

The Manager adopts the principle that remuneration matters should be appropriately structured to attract, retain and motivate qualified talent to provide good stewardship of ECW and key management personnel to successfully manage ECW for the long term.

CORPORATE GOVERNANCE

The NRC has written terms of reference setting out its scope and authority in performing the functions of a remuneration committee, which include advising the Board in matters relating to:

- the framework of remuneration for the Board and KMP of the Manager;
- the specific remuneration packages for each Directors and for KMP of the Manager covering all aspects of remuneration including but not limited to Directors' fees, salaries, allowances, bonuses, options, unit-based incentives, awards and benefits in kinds; and
- the development of a remuneration policy with regard to the objective of attracting, rewarding and retaining performing staff.

The NRC had reviewed and determined the remuneration packages of Directors and KMP of the Manager, to ensure that they are adequately but not excessively remunerated. The NRC seeks expert advice on remuneration and governance matters from external consultants, where necessary. The Board will ensure that existing relationships between ECW and its appointed remuneration consultants, if any, will not affect the independence and objectivity of the external remuneration consultants. For FY2020, the Board did not engage any remuneration consultant.

NEDs' fees are established and reviewed annually based on each Director's level of responsibilities on the Board and its Board Committees.

NEDs' fees are based on a structured fees framework reflecting the responsibilities and time commitment of each Director. The fees framework comprises a base fee and additional fee for holding appointment as Board Chairman, Chairman or member of Board Committees. The Chairman of the Board and of each Board Committee are paid a higher fee compared with members of the Board and of such Board Committee in view of the greater responsibility carried by that office. NEDs' fees are paid entirely in cash. The CEO who is also a Director is remunerated as part of the KMP of the Manager and therefore, he does not receive any Director's fee.

The Manager has set out in the table below information on the fees paid to the NEDs for FY2020:

Non-Executive Directors' Fees

Board Members	FY2020	FY2019
Zhang Guobiao	97,500	100,000
Chan Heng Wing	96,525	109,000 [®]
Wong See Hong	87,750	100,000 [®]
Li Guosheng	73,125	75,000
Chia Yew Boon	68,250	70,000

[®] FY2019 Directors' Fees include one-off additional fees amounting to S\$10,000 for the Director's additional efforts and time spent with Management during the refinancing exercise of ECW in FY2019.

In establishing the remuneration structure of the Executive Directors and KMP of the Manager, the NRC exercises broad discretion and independent judgement in ensuring that a significant and appropriate proportion of executive directors' and KMP's remuneration is structured so as to link rewards to corporate and individual performance. Performance-related remuneration is aligned with the interests of Unitholders and other stakeholders of ECW and promotes the long-term success of ECW. The Board will, with the recommendation of the NRC, review the Executive Directors' specific remuneration package to ensure its compliance with the substance and spirit of such directions and guidelines.

The total remuneration mix of the CEO/Executive Director and KMP of the Manager comprises fixed and variable components. The fixed component comprises the base salary, annual wage supplement, fixed allowances and compulsory employer contribution to an employee's central provident fund. The variable component is performance related, which will be paid in cash or in the units of ECW (which were received by the Manager as payment for its own fees). When conducting the NRC's review of the remuneration framework, the NRC takes into account the performance of ECW and individual performance. Annual performance targets are in the form of both quantitative and qualitative measures and, are aligned to the business strategy for ECW Group and linked to the performance of ECW. Individual performance is measured via the KMP's annual appraisal based on competencies and key performance indicators.

In recognition of contributions of Mr Goh Toh Sim (in his capacity as CEO and Executive Director) in FY2020, the NRC has recommended the payment of a year-end performance bonus totalling S\$52,500 ("Performance bonus") payable to Mr Goh Toh Sim on top of his contractual annual wage supplement. The Board supported the NRC's recommendation and further approved the payment of the performance Bonus.

No member of the Board will be involved in any decision of the Board relating to his own remuneration.

The Code and the notice to all holders of a Capital Markets Services Licence for Real Estate Investment Trust Management (issued pursuant to Section 101 of the Securities and Futures Act) require:

- (i) the disclosure of the remuneration of each individual Director and the CEO on a named basis, and
- (ii) the disclosure of the remuneration of at least the top five KMP of the Manager (who are neither Directors nor the CEO) in bands of S\$250,000.

Given the commercially sensitivity and confidential nature of remuneration matters of the REIT management industry, the Board believes that disclosing the remuneration of the CEO/Executive Director and KMP of the Manager in exact quantum is not in the best interests of ECW and its Unitholders. In view of the highly competitive human resource environment, it is important for the Manager to retain talent for the long-term interests of ECW and its Unitholders, and ensure stability and continuity of business operations with a competent and experienced management team are in place.

The Board is of the view that the disclosure in bands of S\$250,000 would provide a good overview and is informative of the remuneration of the CEO/Executive Director and KMP of the Manager.

CORPORATE GOVERNANCE

The breakdown of the level and mix of remuneration paid to the CEO/Executive Director (in percentage) for FY2020 is as follows:

Remuneration Band Name of CEO/ Executive Director	Basic Salary	Bonus	Other Benefits	Total
S\$500,000 to S\$750,000				
Goh Toh Sim	88%	10%	2%	100%

Remuneration of the KMP (who are not Directors or the CEO) in bands of S\$250,000 for FY2020 is as follows:

Remuneration Band and Name of KMP (other than Directors and CEO)	Basic Salary	Bonus	Other Benefits	Total
S\$250,000 to S\$500,000				
Wang Feng*	79%	15%	6%	100%
Li Jinbo [#]	69%	25%	6%	100%

* Mr. Wang Feng was appointed as Acting CFO on 10 January 2020 and subsequently as CFO on 1 October 2020.

[#] Mr. Li Jinbo ceased as Chief Investment Officer on 17 July 2020.

During FY2020, as a show of togetherness and solidarity with its stakeholders, the Board and KMP (i.e. CEO, Chief Investment Officer ("CIO") and Deputy CFO) of the Manager took a 10% reduction in remuneration for the 3-month period from April 2020 to June 2020. The Manager has only two KMP other than Directors and CEO for FY2020. For the same reasons mentioned above, the exact quantum of the aggregated remuneration for KMP is not disclosed.

There are no contractual provisions to allow the Manager to reclaim incentive components of remuneration from executive Directors and KMP in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Manager and ECW.

There are no termination, retirement or post-employment benefits that are granted over and above what have been disclosed.

The NRC will review the need for long term incentive plan when appropriate.

There are no employees of the Manager who are substantial Unitholders, or immediate family members of a Director, the CEO or a substantial unitholder, whose remuneration exceeds S\$100,000 during the year.

(C) ACCOUNTABILITY AND AUDIT

Accountability

Risk Management and Internal Controls

Principle 9:

A sound system of risk management and internal controls to safeguard the interests of the company and its Unitholders

The Manager has put in place an adequate and effective system of internal controls addressing material financial, operational, compliance and information technology risks to safeguard Unitholders' interests and ECW's assets.

The Board has overall responsibility for the governance of risk and oversees the Manager in the design, implementation and monitoring of the risk management and internal control systems. The ARC assists the Board in carrying out the Board's responsibility of overseeing the risk management framework and policies of ECW Group.

The ARC is guided by its terms of reference, in particular, the ARC:

- (a) makes recommendations to the Board on Risk Appetite Statement ("**RAS**") for ECW Group;
- (b) assesses the adequacy and effectiveness of the risk management and internal control systems established by the Manager to manage risks;
- (c) oversees Management in the formulation, updating and maintenance of an adequate and effective risk management framework, policies and strategies for managing risks that are consistent with ECW Group's risk appetite and reports to the Board on its decisions on any material matters concerning the aforementioned;
- (d) makes the necessary recommendations to the Board such that an opinion relating to the adequacy and effectiveness of the risk management and internal control systems can be made by the Board in the annual report of ECW in accordance with the Listing Rules and the Code; and
- (e) considers and advises on risk matters referred to it by Management or the Board including reviewing and reporting to the Board on any material breaches of the RAS, any material non-compliance with the approved framework and policies and the adequacy of any proposed action.

The Manager adopted an Enterprise Risk Management ("**ERM**") Framework which sets out the required environmental and organisational components for managing risk in an integrated, systematic and consistent manner. The ERM Framework and related policies are reviewed annually.

The Manager consistently seeks to improve and strengthen its ERM Framework. As part of the ERM Framework, the Manager, among other things, undertakes and performs a Risk and Control Self-Assessment ("**RCSA**") process. From the RCSA process, the Manager maintains a risk register which identifies the material risks ECW Group faces and the corresponding internal controls it has put in place to manage or mitigate those risks. The material risks will be reviewed annually by the ARC and the Board. The ARC also reviews the approach of identifying and assessing risks and internal controls in the risk register. The system of risk management and internal controls is reviewed and, where appropriate, refined regularly by Management, the ARC and the Board. Where relevant, reference is made to the best practices and guidance in the Risk Governance Guidance for listed Boards issued by the Corporate Governance Council.

CORPORATE GOVERNANCE

Management has established an approach on how risk appetite is defined, monitored and reviewed for ECW Group. ECW Group's RAS addresses the management of material risks faced by ECW Group. Alignment of ECW Group's risk profile to the RAS is achieved through various communication and monitoring mechanisms put in place across the various functions within the Manager.

More information on the Manager's ERM Framework can be found in the Enterprise Risk Management section on pages 62 to 64 of this Annual Report.

The internal and external auditors conduct audits that involve testing the effectiveness of the material internal controls for ECW Group addressing financial, operational, compliance and information technology risks. This includes testing, where practical, material internal controls in areas managed by external service providers. Any material non-compliance or lapses in internal controls together with corrective measures recommended by the internal and external auditors are reported to and reviewed by the ARC. The adequacy and effectiveness of the measures taken by Management in response to the recommendations made by the internal and external auditors are also reviewed by the ARC.

At every quarterly meeting, the CEO and CFO of the Manager will give their written assurance that:

- (a) the financial records of ECW Group have been properly maintained and the financial statements for FY2020 give a true and fair view of ECW Group's operations and finances;
- (b) the system of risk management and internal controls in place for ECW Group is adequate and effective in addressing the material risks faced by ECW Group in its current business environment including material financial, operational, compliance and information technology risks;
- (c) Management is aware of their responsibilities for establishing, maintaining and evaluating the effectiveness of the risk management and internal control systems of the ECW Group; and
- (d) there are no known significant deficiencies or lapses in the risk management and internal controls systems relating to the ECW Group's financial, operational, compliance and information technology controls which could adversely affect the ECW Group's ability to record, process, summarise or report financial data, or of any fraud, whether material or not.

Separately, the CEO and other KMP of the Manager also provide a written confirmation of the above items (c) and (d). (the written confirmation collectively, "**the Management Assurance Letters**")

The Board has received the Management Assurance Letters duly signed by the CEO and the CFO. Other than previously disclosed, the Company has no other KMP.

Based on the ERM Framework established and the reviews conducted by Management and both the internal and external auditors, as well as the Management Assurance Letters, the Board, with the concurrence of the ARC, is of the opinion, that the system of risk management and internal controls addressing material financial, operational, compliance and information technology risks established by the Manager is adequate and effective to meet the needs of ECW Group in its current business environment for FY2020.

Audit Committee

Principle 10: Establishment of Audit and Risk Committee with written terms of reference

The ARC comprises three IDs namely:

Dr Wong See Hong	Chairman
Mr Chia Yew Boon	Member
Mr Li Guosheng	Member

All these ARC members bring with them invaluable and relevant managerial and professional expertise in accounting and related financial management domains.

In compliance with the Code, the ARC does not have any member who is a former partner or Director of ECW's existing external audit firm within the previous two years or who holds any financial interest in the auditing firm.

The ARC has explicit authority to investigate any matter within its terms of reference. Management is required to provide the fullest co-operation in providing information and resources, and in implementing or carrying out all requests made by the ARC. The ARC has direct access to the internal and external auditors and full discretion to invite any Director or executive officer to attend its meetings. Similarly, both the internal and external auditors are given unrestricted access to the ARC.

The ARC is guided by its terms of reference, which defines its duties and scope of authority and in line with the Code, a revised term of reference was reviewed and adopted during the year. In particular, the duties of the ARC include the following which the ARC had carried out during the year:

- (a) reviews the annual audit plan, including the nature and scope of the internal and external audits before the commencement of the audits;
- (b) reviews the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of ECW Group and any announcements relating to ECW Group's financial performance;
- (c) reviews and reports to the Board at least annually the adequacy and effectiveness of the Manager's internal controls, including financial, operational, compliance and information technology controls, and risk management systems;
- (d) reviews the adequacy and effectiveness of the Manager's internal audit and compliance functions;
- (e) reviews the scope and results of the external audit and independence and objectivity of the external auditors;
- (f) makes recommendations to the Board on the proposals to Unitholders on the appointment, re-appointment and removal of the external auditors, and approving the remuneration of the external auditors;
- (g) reviews and approves processes to regulate transactions involving an Interested Person (as defined in Chapter 9 of the Listing Rules) and/or Interested Party (as defined in the Property Funds Appendix) (each, an Interested person) and ECW and/or its subsidiaries (Interested Person Transactions) to ensure compliance with the applicable regulations, in particular, the requirements that the transactions are on normal commercial terms and are not prejudicial to the interests of ECW and its minority Unitholders and, in respect of any property management agreement which is an Interested person or Interested party transaction, the requirement that reviews of the Property Manager's compliance with the terms of the property management agreement and any remedial actions taken, where necessary, are carried out at intervals commensurate with the tenure of such agreement;

CORPORATE GOVERNANCE

- (h) reviews the policy and arrangements by which employees of the Manager and any other persons may, in confidence, report suspected fraud or irregularity or suspected infringement of any laws or regulations or rules, or raise concerns about possible improprieties in matters of financial reporting or other matters with a view to ensuring that arrangements are in place for such concerns to be raised and independently investigated, and for appropriate follow-up action to be taken;
- (i) reviews the procedures implemented to ensure the legal and regulatory compliance of ECW's financing activities in the applicable jurisdiction;
- (j) reviews the Master Lessees' performance of their obligations under such agreements, including deliberating and assessing whether the renewal of such agreements is in the interest of ECW and its Unitholders prior to time for renewal; and
- (k) reviews the Sponsor's compliance with various undertakings given in respect of the relevant issues until such time that the Deeds of Indemnity are terminated in accordance with their terms;

In FY2020, the ARC discussed with Management and the external auditors on significant financial reporting matters, in particular the Key Audit Matter associated with valuation of investment properties. The valuation of investment properties has considered all the relevant facts and circumstances in arriving at the basis of valuation. The ARC concurs with the conclusion of the Management and the external auditors on the Key Audit Matter.

The Manager has also engaged KPMG Services Pte. Ltd. ("KPMG") to oversee the Group's compliance function ("Compliance Adviser"). A quarterly report is prepared by KPMG and presented to the ARC at its quarterly meetings.

As previously announced via SGXNet on 30 September 2016, given the prevailing volatile PRC corporate bonds then, the ARC had concurred with Management's recommendations to set aside the cash security deposits which it received under the Master leases in the form of cash, which may be utilised to part-finance potential acquisition(s). Accordingly, there was no investment made in PRC corporate bonds. Notwithstanding, the ARC has provided in its terms of reference to review ECW's investment in PRC corporate bonds (which are made for the purpose of efficient capital management) and monitoring Manager's compliance with the agreed investment criteria of establishing a diversified portfolio of corporate bonds issued by PRC corporations with investment ratings of AA- or higher (throughout the tenure of such bond investment), if any.

The ARC has reviewed the nature and extent of services provided by the external auditors during FY2020 and the fees paid for such services. The aggregate amount of fees paid and payable to the external auditors for FY2020 was approximately S\$400,000 which was solely for the audit services. There were no non-audit fees in FY2020. The external auditors have also provided confirmation of their independence to the ARC. The ARC is satisfied with the independence of the external auditors.

The Board recognizes the importance of maintaining a system of internal controls, procedures and processes for safeguarding the Unitholders' investments and ECW's assets. The internal audit function of ECW is outsourced to Deloitte & Touché Enterprise Risk Services Pte Ltd ("**Deloitte**"). Deloitte adopts the Standards for the professional practice of Internal Auditing set by the Institute of Internal Auditors and reviews the Group's compliance with the control procedures and policies established within the internal control and risk management systems.

The internal auditors' ("**IA**") primary reporting line is to the Chairman of the ARC and administratively to the CEO. The ARC reviews and approves the annual internal audit plan, and ensures that the internal auditors have adequate resources to perform its functions. The ARC also reviews the results of internal audits and Management's actions in resolving any audit issues reported. Deloitte has also separately given its written assurance to the ARC confirming compliance with the guidelines set by The Institute of Internal Auditors of Singapore covering areas such as training, staff recruitment and ongoing education, to assist the ARC in evaluating the quality and attributes of IA. The ARC is satisfied that Deloitte is independent, effective, and adequately resourced and staffed by suitably qualified and experienced professionals to perform its functions, and has appropriate standing within the Manager.

In FY2020, the ARC also met with the internal and external auditors twice, without Management's presence, to discuss the reasonableness of the financial reporting process, the system of internal controls, and the significant comments and recommendations by the auditors. Where relevant, the ARC makes reference to the best practices and guidance in the Guidebook for Audit Committees in Singapore and the practice directions issued from time to time in relation to the Financial Reporting Surveillance programme administered by the Accounting and Corporate Regulatory Authority of Singapore.

The Manager confirms, on behalf of ECW, that ECW complies with Rule 712 and Rule 715 of the Listing Rules.

(D) UNITHOLDER RIGHTS AND RESPONSIBILITIES

Unitholder Rights

Principle 11: Unitholders' rights and conduct of Unitholder meetings

Principle 12: Engagement with Unitholders

Principle 13: Engagement with stakeholders

The Manager is committed to treating all Unitholders fairly and equitably. All Unitholders enjoy specific rights under the Trust Deed and the relevant laws and regulations. These rights include, among other things, the right to participate in profit distributions. They are also entitled to attend general meetings and are accorded the opportunity to participate effectively and vote at general meetings.

The Manager is committed to keeping all Unitholders and other stakeholders and analysts informed of the performance and changes in ECW or its business which would be likely to materially affect the price or value of the units, on a timely and consistent basis, so as to assist Unitholders and investors in their investment decisions.

The Manager has an Investor Relations and Corporate Communications Officer which facilitates effective communication with Unitholders, analysts, fund managers and the media.

The Manager actively engages with Unitholders and has put in place regular investor outreach initiatives. The contact of the Investor Relations Officer of the Manager can also be found on ECW's website at www.ecwreit.com to promote regular, effective and fair communications with Unitholders.

More information on the Manager's investor and media relations with Unitholders can be found in the Stakeholders Engagement and Investor Relations section on page 34 of this Annual Report.

Notwithstanding ECW is exempted from quarterly reporting, ECW continues with its quarterly results announcement to keep its unitholders updated of its performance.

Unitholders are notified in advance of the date of release of ECW's financial results through an announcement via SGXNet. The Manager also conducts regular briefings for analysts. During these briefings, Management will share ECW's performance as well as discuss the business outlook for ECW. Briefing materials are also released through the SGX-ST via SGXNet and also made available on ECW's website.

CORPORATE GOVERNANCE

ECW has been included in the FTSE ST China Index in 2020.

Distribution policy

In accordance with the prospectus for IPO of ECW, ECW's distribution policy is to distribute 100% of ECW's Distributable Income for the period from the listing Date to 31 December 2017. Thereafter, ECW will distribute at least 90% of its Distributable Income on a semi-annual basis.

During FY2020, the Manager had made a distribution of 5.442 Singapore cents per unit (2019: 6.107 Singapore cent per unit). Distribution of 1.427 Singapore cents per unit for the period from 1 October 2020 to 31 December 2020 will be made on 31 March 2021.

Conduct of Unitholders' meetings

The Manager supports the principle of encouraging Unitholders' participation and voting at general meetings.

Unitholders are informed of meetings through notices which are accompanied by the annual reports or circulars sent to them. If any unitholder is unable to attend, he/she is allowed to appoint up to two proxies to vote on his/her behalf at the meeting through proxy forms. At the meetings, each distinct issue is proposed as a separate resolution and full information is provided for each item in the notice. Notices of the general meetings are also advertised in the press and issued on SGXNet. To ensure transparency in the voting process and better reflect Unitholders' interest, the Manager conducts poll voting for Unitholders/proxies present at the general meetings for all the resolutions proposed at the general meetings. An independent external party is also appointed as scrutineers for the poll voting procedures.

At general meetings, Management makes its presentation to Unitholders to update them on ECW's performance, position and prospect. The presentation materials are made available to Unitholders on SGXNet and the Company's website. Unitholders are given the opportunity to communicate their views on matters affecting ECW. Representatives of the trustee, Directors (including the chairpersons of the Board, the NRC and the ARC), the Manager's senior management and the external auditors, shall be present at general meetings to address any queries that Unitholders may have.

The total number of votes cast for or against the resolutions and the respective percentages are announced on SGXNet after the general meetings. Voting in absentia and by email which are currently not permitted may only be possible following careful study to ensure that the integrity of information and authentication of the identity of Unitholders through the web are not compromised, and legislative changes are effected to recognise remote voting.

ECW convened its general meeting virtually in 2020 while adhering to the various advisories and guidance issued by the authorities on holding meetings amid the COVID-19 outbreak.

As permitted under the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020, ECW will convene its 2021 AGM by electronic means. Alternative arrangements relating to attendance at the 2021 AGM via electronic means include arrangements by which the meeting can be electronically accessed via live audio-visual webcast or live audio-only stream, submission of questions in advance of the meeting, addressing of substantial and relevant questions at, or prior to, the meeting and voting by appointing the Chairman of the meeting as proxy at the meeting, will be provided in the 2021 AGM Notice.

The minutes of general meetings which include substantial and relevant comments or queries from Unitholders, and responses from Board and Management will be released to the SGX-ST and published on the Manager's corporate website.

Stakeholders Engagement

In keeping with its commitments to good corporate governance, the Manager has put in place a Sustainability Reporting Framework, which is published on the Manager's website. In the report, the Manager focuses on ECW's Economic, Social and Governance ("ESG") impacts and its progress towards the goal of sustainable management of its property portfolio. The Manager has identified the following as their key stakeholders:

- Unitholders;
- Employees and workers;
- Tenants;
- Suppliers;
- Local Communities;
- Government; and
- Non-profit Organisations

The Manager engages with these stakeholders through various informal and formal channels of communication. For example, the Manager maintains a corporate website to leverage on internet platforms, which enables it to communicate with key stakeholders and the public.

For more information, please refer to the "Sustainability" section on page 36 of this Annual Report.

(E) ADDITIONAL INFORMATION

Dealings With Interested Persons

Review Procedures for Interested Person Transactions

The Manager has established internal control procedures to ensure that all Interested person transactions are undertaken on an arm's length basis and on normal commercial terms, which are generally no more favourable than those extended to unrelated third parties, and are not prejudicial to the interests of ECW and Unitholders. A formal policy has also been drawn up to document the procedures.

In respect of such transactions, Management would have to demonstrate to the ARC that such transactions are undertaken on normal commercial terms and are not prejudicial to the interests of ECW and Unitholders which may include obtaining (where practicable) third party quotations or obtaining valuations from independent valuers (in accordance with applicable provisions of the Listing Rules and the Property Funds Appendix). the internal control procedures also ensure compliance with Chapter 9 of the Listing Rules and the Property Funds Appendix.

CORPORATE GOVERNANCE

In particular, the procedures in place include the following:

Interested person transactions¹ Approving Authority, Procedures and Disclosure

	Approval Authority
S\$100,000 and above per transaction (which singly, or when aggregated with other transactions ² with the same Interested person in the same financial year is less than 3.0% of ECW's latest audited net tangible assets/net asset value)	Trustee ARC
Transaction ² which: (a) is equal to or exceeds 3.0% of ECW's latest audited net tangible assets/net asset value; or (b) when aggregated with other transactions ² with the same Interested person in the same financial year is equal to or exceeds 3.0% of ECW's latest audited net tangible assets/net asset value	Trustee ARC Immediate announcement
Transaction ² which: (a) is equal to or exceeds 5.0% of ECW's net asset value; or (b) when aggregated with other transactions ³ with the same Interested person in the same financial year is equal to or exceeds 5.0% of ECW's latest audited net tangible assets/net asset value	Trustee ARC Unitholders Immediate announcement

Role of the ARC for Interested Person Transactions

The Manager's internal control procedures are intended to ensure that Interested person transactions are conducted at arm's length and on normal commercial terms, and are not prejudicial to ECW and Unitholders' interests. The Manager maintains a register to record all Interested Person Transactions which are entered into by ECW (and the basis on which they are entered into, including the quotations obtained to support such basis).

¹ This table does not include the procedures applicable to interested person transactions falling under the exceptions set out in Rules 915 and 916 of the listing Rules.

² Any transaction of less than S\$100,000 in value is disregarded.

³ In relation to approval by Unitholders for transactions that equal to or exceed 5.0% of ECW's latest audited net tangible assets/net asset value (whether singly or aggregated), any transaction which has been approved by Unitholders, or is the subject of aggregation with another transaction that has been approved by Unitholders, need not be included in any subsequent aggregation.

All Interested Person Transactions are subject to regular periodic reviews by the ARC, which in turn obtains advice from IA, to ascertain that the guidelines and procedures established to monitor Interested person transactions, including the relevant provisions of the Listing Rules and the Property Funds Appendix, as well as any other guidelines which may from time to time be prescribed by the SGX-ST, MAS or other relevant authorities, have been complied with. The review includes an examination of the nature of the transaction and its supporting documents or such other information deemed necessary by the ARC. If a member of the ARC has an interest in a transaction, he is to abstain from participating in the review and approval process in relation to that transaction. In addition, the trustee also has the right to review such audit reports to ascertain that the Listing Rules and the Property Funds Appendix have been complied with.

Details of all Interested Person transactions (equal to or exceeding S\$100,000 each in value) entered into by ECW during FY2020 are disclosed on page 122 of this Annual Report.

Dealing with Conflicts of Interest

The following principles and procedures have been established to deal with potential conflicts of interest which the Manager (including its Directors, executive officers and employees) may encounter in managing ECW:

- (a) the Manager is a dedicated manager to ECW and will not manage any other real estate investment trust or be involved in any other real property business;
- (b) all resolutions at meetings of the Board in relation to matters concerning ECW must be decided by a majority vote of the Directors, including at least one ID;
- (c) in respect of matters in which Sponsor and/or its subsidiaries have an interest, whether direct or indirect, any nominees appointed by Sponsor and/or its subsidiaries to the Board will abstain from voting. In such matters, the quorum must comprise a majority of IDs and shall exclude such nominee Directors of Sponsor and/or its subsidiaries;
- (d) in respect of matters in which a Director or his associates have an interest, whether direct or indirect, such interested Director will abstain from voting. In such matters, the quorum must comprise a majority of the Directors and shall exclude such interested Director(s);
- (e) if the Manager is required to decide whether or not to take any action against any person in relation to any breach of any agreement entered into by the trustee for and on behalf of ECW with an affiliate of the Manager, the Manager is obliged to consult with a reputable law firm (acceptable to the trustee) which shall provide legal advice on the matter. If the said law firm is of the opinion that the trustee, on behalf of ECW, has a prima facie case against the party allegedly in breach under such agreement, the Manager is obliged to pursue the appropriate remedies under such agreement;
- (f) any decision by the Manager not to take action against a related party of the Manager shall not constitute a waiver of the trustee's right to take such action as it deems fit against such related party; and
- (g) at least one-third of the Board shall comprise IDs.

Additionally, the Trustee has been granted a right of first refusal by the Sponsor to purchase any income-producing real estate worldwide with certain specified characteristics which may in the future be identified and targeted for acquisition by the Sponsor or any of its subsidiaries.

Under the Trust Deed, in respect of voting rights where the Manager would face a conflict between its own interests and that of Unitholders, the Manager shall cause such voting rights to be exercised according to the discretion of the trustee.

Dealings in Securities

Each Director and the CEO of the Manager is to give notice to the Manager of his acquisition of ECW units or of changes in the number of units or, as the case may be, ECW units which he holds or in which he has an interest, within two business days after such acquisition or the occurrence of the event giving rise to changes in the number of the units or, as the case may be, ECW units which he holds or in which he has an interest.

All dealings in the ECW units by the Manager's Directors will be announced via SGXNet.

The Manager has devised and adopted a securities dealing policy for the Manager's officers and employees which applies the best practice recommendations in the Listing Rules. To this end, the Manager has issued guidelines to its Directors and employees which set out prohibitions against dealings in ECW Group's securities:

- (i) while in possession of material unpublished price sensitive information;
- (ii) during two weeks immediately preceding, and up to the time of the announcement of, ECW's financial results for each of the first three quarters of ECW's financial year; and
- (iii) during one month immediately preceding, and up to the time of the announcement of, ECW's financial results for the full financial year.

Prior to the commencement of each relevant period, an email would be sent out to all Directors and employees of the Manager to inform them of the duration of the period. The Manager will also not deal in ECW Group's securities during the same period.

Directors and employees of the Manager are prohibited from dealing in securities of ECW Group if they are in possession of unpublished price sensitive information of ECW Group. As and when appropriate, they would be issued an advisory to refrain from dealing in ECW Group's securities.

Under the policy, Directors and employees of the Manager are discouraged to trade on short-term or speculative considerations. They are also prohibited from using any information with respect to other companies or entities obtained in the course of their employment in connection with securities transactions of such companies or entities.

The Manager has complied with its securities dealing policy in accordance with listing Rule 1207(19).

(F) CODE OF BUSINESS CONDUCT

The Manager adheres to an ethics and code of business conduct policy which deals with issues such as confidentiality, conduct and work discipline, corporate gifts and concessionary offers. Clear policies and guidelines on how to handle workplace harassment and grievances are also in place. The policies that the Manager has implemented aim to help to detect and prevent occupational fraud in mainly three ways as follow:

- (i) the Manager offers fair compensation packages, based on practices of pay-for-performance and promotion based on merit to its employees. The Manager also provides various healthcare subsidies and financial assistance schemes to alleviate the common financial pressures its employees face;
- (ii) documenting policies and work procedures incorporate internal controls which ensure that adequate checks and balances are in place. Periodic audits are also conducted to evaluate the efficacy of these internal controls; and
- (iii) the Manager seeks to build and maintain the right organisational culture through its core values, educating its employees on good business conduct and ethical values.

Bribery and Corruption Prevention Policy

The Manager adopts a strong stance against bribery and corruption. In addition to clear guidelines and procedures for the giving and receipt of corporate gifts and concessionary offers, all employees of the Manager are required to make a declaration on an annual basis where they pledge to uphold the Manager's core values and not to engage in any corrupt or unethical practices. This serves as a reminder to all employees to maintain the highest standards of integrity in their work and business dealings. The Manager's zero tolerance policy towards bribery and corruption extends to its business dealings with third parties. Pursuant to this policy, the Manager requires that certain agreements incorporate anti-bribery and anti-corruption provisions.

Whistle-Blowing Policy

A whistle-blowing policy and other procedures are put in place to provide employees of the Manager and parties who have dealings with the Manager with well defined, accessible and trusted channels to report suspected fraud, corruption, dishonest practices or other improprieties in the workplace, and for the independent investigation of any reported incidents and appropriate follow up action. The objective of the whistle-blowing policy is to encourage the reporting of such matters so that employees or external parties making any reports in good faith will be able to do so with the confidence that they will be treated fairly and, to the fullest extent possible, be protected from reprisal.

Whistle-blowing policy is available on the website of ECW. There was no whistle-blowing report received for FY2020.

Anti-Money Laundering and Countering the Financing of Terrorism Measures

As a holder of a Capital Markets Services Licence issued by MAS, the Manager abides by the MAS' guidelines on the prevention of money laundering and countering the financing of terrorism. Under these guidelines, the main obligations of the Manager are:

- (h) evaluation of risk;
- (i) customer due diligence;
- (j) suspicious transaction reporting;
- (k) record keeping;
- (l) employee screening and representative screening; and
- (m) training.

The Manager has developed and implemented a policy on the prevention of money laundering and terrorist financing and is alert at all times to suspicious transactions. Where there is a suspicion of money laundering or terrorist financing, the Manager performs due diligence checks on its counterparties in order to ensure that it does not enter into business transactions with terrorist suspects or other high-risk persons or entities. Suspicious transactions are also reported to the Suspicious Transaction Reporting Office of the Commercial Affairs Department.

Under this policy, the Manager must retain all relevant records or documents relating to business relations with its customers or transactions entered into for a period of at least five years following the termination of such business relations or the completion of such transactions.

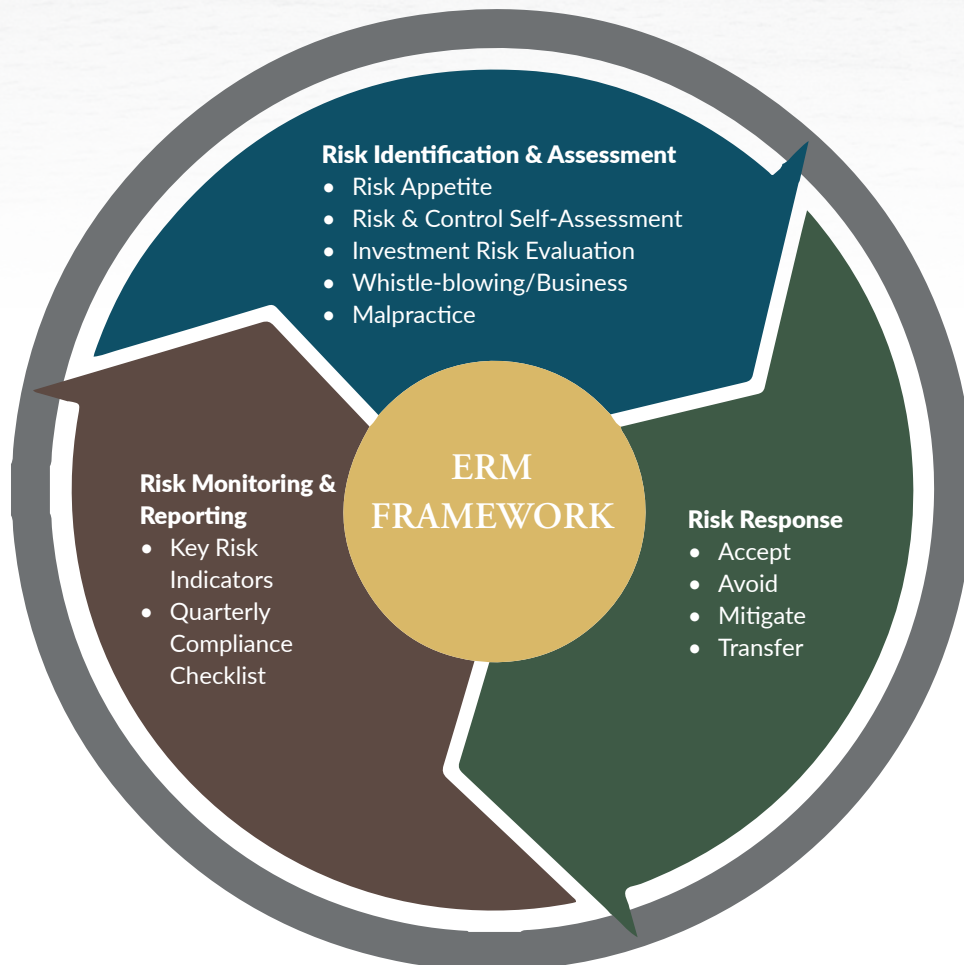

All prospective employees, officers and representatives of the Manager are also screened against various lists of terrorist suspects issued by MAS. Periodic training is provided by the Manager to its Directors, employees and representatives to ensure that they are updated and aware of applicable anti-money laundering and terrorist financing regulations, the prevailing techniques and trends in money laundering and terrorist financing and the measures adopted by the Manager to combat money laundering and terrorist financing.

ENTERPRISE RISK MANAGEMENT

Risk management is an integral part of the business of ECW and its subsidiaries (collectively, the “ECW Group”) at both the strategic and operational levels. A proactive approach towards risk management supports the achievement of ECW Group’s business objective and strategy, thereby creating and preserving value for Unitholders.

The Manager recognises that risk management is about the optimization of risk-reward relationship within known and pre-agreed risk appetite levels. To capitalise on opportunities, the Manager has to take calculated risks in a prudent manner to ensure that the risks undertaken commensurate with the returns it brings.

The Board is responsible for the governance of risk across ECW Group. The responsibilities include determining ECW Group’s risk appetite, overseeing the Manager’s Enterprise Risk Management (“ERM”) Framework, regularly reviewing ECW Group’s risk profile, material risks and mitigation strategies as well as ensuring the effectiveness of risk management policies and procedures. For these purposes, it is assisted by the ARC which provides oversight of risk management.

ECW Group's Risk Appetite Statement ("RAS") is expressed via formal, high-level and overarching principles. Having considered key stakeholders' interests, ECW Group's RAS sets out explicit, forward-looking views of ECW Group's desired risk profile and is aligned to ECW Group's strategy and business plans. The Manager incorporates accompanying risk limits which determine specific risk boundaries established at the operational level.

The Manager's ERM Framework sets out the required environmental and organisational components which enable it to manage risks in an integrated, systematic and consistent manner. The ERM Framework and related risk management policies are reviewed regularly and validated by external consultants periodically. A robust internal control system as well as an effective, independent review and audit process are the twin pillars that underpin the Manager's ERM Framework.

The line management is responsible for the design and implementation of effective internal controls using a risk-based approach while the outsourced Internal Audit function from Deloitte & Touche Enterprise Risk Services Pte Ltd reviews such design and implementation to provide reasonable assurance to the ARC on the adequacy and effectiveness of the internal control system.

Annually, the Manager facilitates and coordinates ECW Group's Risk and Control Self-Assessment ("RCSA") exercise that requires the respective risk and control owners to proactively identify, assess and document material risks as well as the corresponding key controls and mitigating measures needed to address them. Material risks and their associated controls are consolidated and reviewed by the Manager before they are presented to the ARC and the Board.

Being aware and prepared for potential risks affecting ECW Group's business continuity enables the Manager to minimise the impact of disruption to business operations. The Manager has put in place a business continuity plan. In addition, both the Information technology ("IT") team from the Sponsor and the outsourced IT team from JK Technology have a defined disaster recovery strategies and plans, which are reviewed and tested regularly.

The Manager believes that having the right risk culture and people with the right attitude, values and knowledge are fundamental to ECW Group's success.

Managing Material Risks

The Manager undertakes an iterative and comprehensive approach in identifying, managing, monitoring and reporting material risks across ECW Group. Such material risks include:

Business Interruption Risk

ECW Group is exposed to business interruption risk arising from sudden and major disaster event such as fire, prolonged power outages, Communicable Disease Outbreak or other major infrastructure or equipment failures which may significantly disrupt operations at our properties or data centres. The Manager manages such risks through proactive facilities management (for example: implementation and activation of the Business Continuity Plan as well as routine inspection and scheduled maintenance) and putting in place business continuity and crisis management procedures at each property as well as Manager's office.

Competition Risk

ECW Group faces keen competition from established players, online businesses and new market entrants which are likely to affect ECW's tenancy profile. The Manager adopts a relentless approach towards strengthening ECW Group's competitiveness through optimising tenant mix, differentiating its product and services offerings, refreshing property concepts and asset enhancement initiatives ("AEI").

Credit Risk

Credit risk is the potential volatility in earnings caused by tenants' failure to fulfil their contractual lease payment obligations, as and when they fall due. In addition to the requirement for upfront payment of security deposit, the Manager also establishes a system of vigilant debt monitoring and collection procedures.

Economic Risk

ECW Group is exposed to changes in developments in economy, financial and property markets. These developments may reduce revenue, increase costs and result in downward revaluation of ECW Group's assets. Market illiquidity during a financial crisis makes asset divestment challenging and this can affect ECW Group's investment and strategic objectives. The Manager manages this by adopting a prudent approach towards financial management and having a well-balanced portfolio in China.

ENTERPRISE RISK MANAGEMENT

Information Technology Risk

IT risk comprises cyber risk, information security risk and technology infrastructure risk. IT is an integral part of ECW Group's business and security of sensitive information, including tenancy details and financial information, are crucial.

Increasing threats to information security such as hacking and website defacement, may pose risk of data leakage and damage to ECW Group's reputation. The outsourced IT team has put in place policies and procedures to manage IT risks. Established policies and procedures govern IT security, access controls and data security.

Disaster recovery testing is conducted periodically to validate the system continuity plan. In addition, network penetration testing is also conducted regularly to check for potential security gaps.

Foreign Currency Risk

ECW Group's cash flows from the operation of the properties is denominated in RMB while the Group pays distributions in Singapore dollars. This exposed the ECW Group to fluctuations in the currency rates of RMB and SGD. To mitigate the foreign exchange risks on the distribution to Unitholders, ECW Group enters into derivative contracts to hedge a portion of rental income to be received from overseas assets.

Interest Rate Risk

ECW Group's exposure to changes in interest rates relates primarily to the interest-bearing financial liabilities. Interest rate risk is managed on an ongoing basis with the primary objective of minimising the impact on interest expenses caused by adverse movements in interest rates. The Manager puts in place interest rate swaps to hedge 100% of ECW Group's outstanding SGD borrowings from floating-rate loans to fixed-rate loans.

Investment Risk

The main sources of growth for ECW Group are AEI, acquisition of properties as well as property developments. The risks involved in such investment activities are managed through a rigorous set of investment process which includes evaluating potential for growth in yield, rental sustainability and potential for value creation. Also, key financial

assumptions are reviewed and sensitivity analysis performed on key variables. The potential risks associated with proposed projects and the issues that may prevent their smooth implementation or achievement of projected outcomes are identified at the evaluation stage. This is to enable the Manager to devise action plans to mitigate such risks as early as possible.

Leasing Risk

Strong competition, poor economic and market conditions as well as major business interruption such as COVID-19 pandemic are some of the key factors that could result in key tenants not renewing their leases, and adversely affecting the leasing performance of our properties.

The Manager establishes a diversified tenant base and sustainable trade mix and has put in place proactive tenant management strategies which are in line with the properties' positioning. The proposed renewal of master leases subjected to Unitholders' approval, will reduce considerably the leasing risk. As a show of solidarity with ECW's tenants, ECW provided cash rental rebates to tenants within ECW's portfolio in efforts to mitigate the adverse impact of the COVID-19 situation on tenants' operations in April 2020.

Liquidity Risk

ECW Group maintains sufficient cash and debt facilities to meet its operating cash requirements and financial obligations. ECW Group regularly monitors and observes bank covenants for borrowings and the property fund guidelines in the Code on Collective Investment Schemes issued by MAS on the Aggregate Leverage Ratio.

Regulatory and Compliance Risk

Due to the nature of ECW Group's business, ECW Group is required to comply with the applicable and relevant legislations and regulations. These include Listing Rules of the SGX-ST, the Code on Collective Investment Schemes issued by MAS and the tax rulings issued by the Inland Revenue Authority of Singapore, as well as laws and regulations in the countries where the assets of ECW Group are located in. The Manager proactively identifies applicable laws and regulatory obligations, legal updates and embeds compliance into the day-to-day operations.

REPORT OF THE TRUSTEE

For the financial year ended 31 December 2020

DBS Trustee Limited (the “Trustee”) is under a duty to take into custody and hold the assets of EC World Real Estate Investment Trust (“ECW”) held by it or through its subsidiaries (collectively the “Group”) in trust for the holders (“Unitholders”) of units in ECW. In accordance with the Securities and Futures Act (Cap. 289), its subsidiary legislation and the Code on Collective Investment Schemes, the Trustee shall monitor the activities of EC World Asset Management Pte. Ltd. (the “Manager”) for compliance with the limitations imposed on the investment and borrowing powers as set out in the trust deed dated 5 August 2015 as amended by the First Amending and Restating Deed dated 29 June 2016, First Supplemental Deed dated 27 October 2016, Second Supplemental Deed dated 7 August 2019 and Third Supplemental Deed dated 9 April 2020 (the “Trust Deed”) between the Trustee and the Manager in each annual accounting period and report thereon to Unitholders in an annual report.

To the best knowledge of the Trustee, the Manager has, in all material respects, managed ECW and its subsidiaries during the financial year covered by these financial statements set out on pages 72 to 121, in accordance with the limitations imposed on the investment and borrowing powers set out in the Trust Deed.

For and on behalf of the Trustee
DBS Trustee Limited

STATEMENT BY THE MANAGER

For the financial year ended 31 December 2020

In the opinion of the directors of EC World Asset Management Pte. Ltd., the accompanying financial statements of EC World Real Estate Investment Trust (“ECW”) and its subsidiaries (the “Group”), set out on pages 72 to 121, comprising the Statements of Financial Position of ECW and the Group, the Investment Properties Portfolio Statement of the Group as at 31 December 2020, the Statements of Movements in Unitholders’ Funds for ECW and the Group and the Consolidated Statement of Total Return, Consolidated Distribution Statement, Consolidated Statement of Cash Flows of the Group and Notes to the Financial Statements for the year ended 31 December 2020 are drawn up so as to present fairly, in all material respects, the financial position of ECW and the Group as at 31 December 2020, the Investment Properties Portfolio Statement of the Group as at 31 December 2020, the movements in Unitholders’ funds of ECW and the Group, the consolidated total return, the consolidated amount distributable and the consolidated cash flows of the Group for the year ended 31 December 2020, in accordance with the recommendations of Statement of Recommended Accounting Practice 7 “Reporting Framework for Unit Trusts” issued by the Institute of Singapore Chartered Accountants and the provisions of the trust deed dated 5 August 2015 as amended by the First Amending and Restating Deed dated 29 June 2016, First Supplemental Deed dated 27 October 2016, Second Supplemental Deed dated 7 August 2019 and Third Supplemental Deed dated 9 April 2020 (the “Trust Deed”). At the date of this statement, there are reasonable grounds to believe that ECW and the Group will be able to meet their financial obligations as and when they materialise.

For and on behalf of the Manager,
EC World Asset Management Pte. Ltd.

INDEPENDENT AUDITOR'S REPORT

TO THE UNITHOLDERS OF EC WORLD REIT

(Constituted under a Trust Deed in the Republic of Singapore)

Opinion

In our opinion, the accompanying consolidated financial statements of EC World REIT ("ECW") and its subsidiaries (the "Group") and the Statement of Financial Position and Statement of Movements in Unitholders' Funds of ECW are properly drawn up in accordance with the recommendations of Statement of Recommended Accounting Practice 7 "Reporting Framework for Unit Trusts" issued by the Institute of Singapore Chartered Accountants ("RAP 7"), so as to present fairly, in all material respects, the consolidated financial position of the Group, the financial position of ECW and the consolidated portfolio holdings of the Group as at 31 December 2020 and the consolidated financial performance of the Group, the consolidated amount distributable of the Group, the consolidated movements of unitholders' funds of the Group and the movement in unitholders' funds of ECW, and the consolidated cash flows of the Group for the financial year ended on that date.

What we have audited

The financial statements of ECW and the Group comprise:

- Consolidated Statement of Total Return of the Group for the year ended 31 December 2020;
- Statements of Financial Position of the Group and ECW as at 31 December 2020;
- Consolidated Distribution Statement of the Group for the year then ended;
- Consolidated Statement of Cash Flows of the Group for the year then ended;
- Statements of Movements in Unitholders' Funds of the Group and ECW for the year then ended;
- Investment Properties Portfolio Statement of the Group as at 31 December 2020; and
- the notes to the financial statements, including a summary of significant accounting policies.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code.

Our Audit Approach

As part of designing our audit, we determined materiality and assessed the risks of material misstatement in the accompanying financial statements. In particular, we considered where management made subjective judgements; for example, in respect of significant accounting estimates that involved making assumptions and considering future events that are inherently uncertain. As in all of our audits, we also addressed the risk of management override of internal controls, including among other matters consideration of whether there was evidence of bias that represented a risk of material misstatement due to fraud.

INDEPENDENT AUDITOR'S REPORT

TO THE UNITHOLDERS OF EC WORLD REIT

(Constituted under a Trust Deed in the Republic of Singapore)

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements for the financial year ended 31 December 2020. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
<p>Valuation of investment properties</p> <p>Refer to Note 14 (<i>Investment properties</i>)</p> <p>As at 31 December 2020, the carrying value of the Group's investment properties of S\$1,624 million accounted for 89% of the Group's total assets.</p> <p>The valuation of the investment properties was a key audit matter due to the significant judgement in the key inputs used in the valuation techniques. These key inputs include discount rates and capitalisation rates and are dependent on the nature of each investment property and the prevailing market conditions.</p> <p>The key inputs as at 31 December 2020 are disclosed in Note 14 to the accompanying financial statements.</p> <p>Furthermore, the valuation reports obtained from independent property valuers for the investment properties have highlighted the heightened uncertainty of the Coronavirus Disease 2019 ("COVID-19") outbreak. Accordingly, the valuation of these investment properties may be subjected to more fluctuation subsequent to 31 December 2020 than any normal market conditions.</p>	<p>Our procedures performed to ascertain the appropriateness of the key inputs and assumptions used in the valuation included the following:</p> <ul style="list-style-type: none"> • assessed the competency, capabilities and objectivity of the external valuer engaged by the Group; • obtained an understanding of the techniques used by the external valuer in determining the valuations of individual investment properties; • discussed the critical assumptions made by the external valuer for the key inputs used in the valuation techniques; • tested the integrity of information, including underlying lease and financial information provided to the external valuer; and • assessed the reasonableness of the discount rates and capitalisation rates by benchmarking these against prior year inputs and those of comparable properties based on the information available as at 31 December 2020. <p>We found the external valuer to be a member of recognised bodies for professional valuers. We also found that the valuation techniques used were appropriate in the context of the Group's investment properties and the critical assumptions used for the key inputs were within the range of market data.</p> <p>We have also assessed the adequacy of the disclosures relating to the assumptions and the impact of COVID-19 on valuation of investment properties, as we consider them as likely to be significant to users of the financial statements given the estimation uncertainty and sensitivity of the valuations.</p>

INDEPENDENT AUDITOR'S REPORT

TO THE UNITHOLDERS OF EC WORLD REIT

(Constituted under a Trust Deed in the Republic of Singapore)

Other Information

The Manager is responsible for the other information. The other information comprises the "Report of the Trustee" and the "Statement by the Manager" (but does not include the financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report, and the other sections of ECW's Annual Report 2020 ("Other Sections"), which are expected to be made available to us after that date.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Other Sections, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions in accordance with SSAs.

Responsibilities of the Manager for the Financial Statements

The Manager is responsible for the preparation and fair presentation of these financial statements in accordance with the recommendations of RAP 7 and for such internal control as the Manager determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Manager is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Manager either intends to terminate the Group or to cease the Group's operations, or has no realistic alternative but to do so.

The Manager's responsibilities include overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT

TO THE UNITHOLDERS OF EC WORLD REIT

(Constituted under a Trust Deed in the Republic of Singapore)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also: (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Manager.
- Conclude on the appropriateness of the Manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Manager regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Manager with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Manager, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Mr Alex Toh Wee Keong.

* ECW's subsidiaries incorporated in the People Republic of China are required to transfer 10% of its profits after taxation, as determined under the accounting principles and relevant financial regulations of China, to the general reserve until the reserve balance reaches 50% of registered capital. The transfer to this reserve must be made before distribution of dividends to the shareholders. This general reserve can be used to make good previous years' losses, if any, and may be converted to registered capital in proportion to the existing interests of the shareholders, provided that the balance after such conversion is not less than 25% of the registered capital.

The portfolio of ECW comprises eight properties and are collectively known as the "Properties". The carrying amounts of the investment properties were based on independent valuations as at 31 December 2020. The valuations were undertaken by Savills Real Estate Valuation (Guangzhou) Ltd - Shanghai Branch ("Savills"), an independent valuer. Savills has appropriate professional qualifications and experience in the location and category of the properties being valued. The valuations of the investment properties were based on the Discounted Cash Flow method. The net movement in valuation has been taken to the Statement of Total Return. It is the intention of the Group to hold the investment properties for the long term.

The accompanying notes form an integral part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. GENERAL INFORMATION

EC World Real Estate Investment Trust ("ECW") is a Singapore-domiciled Real Estate Investment Trust constituted pursuant to the Trust Deed dated 5 August 2015 (as amended and restated) between EC World Asset Management Pte. Ltd. (the "Manager") and DBS Trustee Limited (the "Trustee"). The Trust Deed is governed by the laws of the Republic of Singapore.

ECW was formally admitted to the Official List of the Singapore Exchange Securities Trading Limited ("SGX-ST") on 28 July 2016 (the "Listing Date") and was approved for inclusion under the Central Provident Fund Investment Scheme.

The principal activity of ECW and its subsidiaries (the "Group") is to invest, directly or indirectly, in a diversified portfolio of income-producing real estate which is used primarily for e-commerce, supply chain management and logistics purposes, as well as real estate-related assets, with an initial geographical focus on the People's Republic of China (the "PRC").

ECW has entered into several service agreements in relation to the management of ECW and its property operations. The fee structures for these services are as follows:

(a) Trustee's fees

The Trustee's fees shall not exceed 0.1% per annum of the value of all the assets of the Group ("Deposited Property") (subject to a minimum of S\$12,000 per month), excluding out-of-pocket expenses and GST in accordance with the Trust Deed. The Trustee's fees are payable out of the Deposited Property of ECW monthly, in arrears.

(b) Manager's management fees

The Manager is entitled under the Trust Deed to receive the following remuneration:

- (i) a base fee of 10.0% per annum of the Distributable Income (calculated before accounting for the base fee and the performance fee in each financial year); and
- (ii) a performance fee of 25.0% of the difference in Distribution per Unit ("DPU") in a financial year with the DPU in the preceding full financial year (calculated before accounting for the performance fee but after accounting for the base fee in each financial year) multiplied by the weighted average number of Units in issue for such financial year.

The Performance Fee is payable if the DPU in respect of any financial year exceeds the DPU in the preceding Financial Year, notwithstanding that the DPU in such relevant Financial Year may be less than the DPU in the Financial Year prior to any preceding full Financial Year.

The base fee and performance fee, if any, is payable to the Manager or its nominees in the form of cash and/or Units (as it may in its sole discretion determine). The base fees will be paid quarterly in arrears. The performance fee will be paid annually in arrears.

The Manager had elected to receive 50% (2019: 100%) of the manager's management fees in the form of Units for the financial year ended 31 December 2020.

(c) Acquisition and Divestment fees

The Manager is entitled to receive the following fees:

- (i) An acquisition fee at the rate of 0.75% for acquisitions from Related Parties (as defined in the Trust Deed) and 1.0% for all other cases (or such lower percentage as may be determined by the Manager in its absolute discretion).

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

1. GENERAL INFORMATION (CONTINUED)

(c) Acquisition and Divestment fees (continued)

In respect of any acquisition of real estate assets from related parties, such a fee should be in the form of Units issued by ECW at prevailing market price(s) instead of cash. Such Units should not be sold within 1 year from the date of their issuance; and

- (ii) A divestment fee at the rate of 0.5% (or such lower percentage as may be determined by the Manager in its absolute discretion) of the sale price of the real estate sold or divested, pro-rated if applicable to the proportion of ECW's interest.

In respect of any sale or divestment of real estate assets to related parties, such a fee should be in the form of Units issued by ECW at prevailing market price(s) instead of cash. Such Units should not be sold within 1 year from the date of their issuance.

The acquisition and divestment fees will be paid in the form of cash and/or Units and are payable as soon as practicable after completion of the respective acquisition or disposal.

(d) Development management fee

The Manager is entitled to receive a development management fee equivalent to 3.0% of the total project costs incurred in a development project undertaken and managed by the Manager on behalf of ECW.

The development management fee is payable in cash and/or Units, in equal monthly instalment over the construction period of each development project based on the Manager's best estimate of the total project costs and construction period and, if necessary, a final payment of the balance amount when the total project costs are finalised.

(e) Fees under the Property Management Agreement

- (i) Property management services

The Trustee will pay Yuntong Property Management Co., Ltd. (the "Property Manager"), for each fiscal year (as defined in the Property Management Agreement) for the following management fees:

For the Properties except for Wuhan Meiluote:

- a property management fee of 1.5% per annum of the gross revenue of each property.

For Wuhan Meiluote property:

- a property and lease management fee equivalent to an amount of RMB 1,105,400 per annum.

- (ii) Marketing services

Under the Property Management Agreement, the Trustee will pay the Property Manager, the following commissions:

- 1 month's gross rent for securing a tenancy of 24 months or more;
- 0.5 month's gross rent for renewal of existing lease; and
- If the new lease secured or lease renewal is for tenure of less than 24 months, the commission shall be calculated on a pro rata basis.

The lease commission payable to the Property Manager in respect of the marketing services to be provided for the Properties (Note 14) shall only be payable for new leases entered into or existing leases renewed in the year commencing from 1 January 2018 and thereafter.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

1. GENERAL INFORMATION (CONTINUED)

(e) Fees under the Property Management Agreement (continued)

(iii) Project management fee

The Property Manager is entitled to a project management fee based on the following development or redevelopment (if not prohibited by the Property Funds Appendix or if otherwise permitted by the Monetary Authority of Singapore ("MAS")), refurbishment, retrofitting, addition and alteration or renovation works to the relevant property:

- a fee of 3.25% of the construction costs, where the construction costs are RMB10.0 million;
- a fee of 3.0% of the construction costs, where the construction costs exceed RMB10.0 million but do not exceed RMB100.0 million;
- a fee of 2.75% of the construction costs, where the construction costs exceed RMB100.0 million but do not exceed RMB250.0 million; and
- a fee to be mutually agreed by the Manager, the Trustee and the Property Manager, where the construction costs exceed RMB250.0 million.

The project management fees will be paid in the form of cash and/or units (as the Manager may in its sole discretion to determine).

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

The financial statements have been prepared in accordance with the recommendations of the Statement of Recommended Accounting Practice 7 ("RAP 7") "Reporting Framework for Unit Trusts" issued by the Institute of Singapore Chartered Accountants ("ISCA"), the applicable requirements of the Code on Collective Investment Schemes (the "CIS Code") issued by MAS and the provisions of the Trust Deed. RAP 7 requires that accounting policies adopted should generally comply with the recognition and measurement principles of Singapore Financial Reporting Standards ("FRS").

The financial statements are expressed in Singapore Dollars ("S\$" and "SGD") and has been rounded to the nearest thousand, unless otherwise stated.

The financial statements are prepared on the historical cost basis, except as disclosed in the accounting policies below.

The preparation of these financial statements in conformity with RAP 7 requires the Manager to exercise its judgement in the process of applying the Group's accounting policies. It also requires the use of certain critical accounting estimates and assumptions. Information about an area involving a higher degree of judgement, where assumptions and estimates are significant to the financial statements, is disclosed in Note 3.

Going concern

As at 31 December 2020, ECW has net current liabilities and net liabilities of \$128,192,000 (2019: \$120,728,000) and \$88,604,000 (2019: \$81,140,000) respectively. Notwithstanding, the financial statements are prepared on a going concern basis, as the Group subsidiaries produce positive operating cash flows for them to distribute dividend to enable ECW to pay its debts as and when they fall due.

Interpretations and amendments to published standards effective in 2020

On 1 January 2020, the Group adopted the new or amended FRS and Interpretations of FRS ("INT FRS") that are mandatory for application for the financial year. Changes to the Group's accounting policies have been made as required, in accordance with the relevant transitional provisions in the respective FRS and INT FRS.

The adoption of these new or amended FRS and INT FRS did not result in substantial changes to the accounting policies of the Group and ECW and had no material effect on the amounts reported for the current and prior financial years.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.2 Revenue recognition

(a) Rental income from operating leases

Rental income from operating leases (net of any incentives given to the lessees) on investment properties are recognised on a straight-line basis over the lease term.

(b) Interest income

Interest income is recognised using the effective interest method.

(c) Dividend income

Dividend income is recognised when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of dividend can be reliably measured.

2.3 Government grants

Grants from the government are recognised as a receivable at their fair value when there is reasonable assurance that the grant will be received and the Group will comply with all the attached conditions.

Government grants receivable are recognised as income over the periods necessary to match them with the related costs which they are intended to compensate, on a systematic basis. Government grants relating to expenses are shown separately as other income.

Government grants relating to assets are recognised as deferred income.

2.4 Expenses

(a) Property expenses

Property expenses are recognised on an accrual basis. Included in property expenses are Property Manager's fees which are based on the applicable formula stipulated in Note 1(e).

(b) Trustee's fees

Trustee's fees are recognised on an accrual basis using the applicable formula stipulated in Note 1(a).

(c) Manager's management fees

Manager's management fees are recognised on an accrual basis using the applicable formula stipulated in Note 1(b).

2.5 Borrowing costs

Borrowing costs are recognised in the Statement of Total Return using the effective interest method except for those costs that are directly attributable to the construction or development of properties and assets under construction. This includes those costs on borrowings acquired specifically for the construction or development of properties and assets under construction, as well as those in relation to general borrowings used to finance the construction or development of properties and assets under construction.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.6 Income taxes

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a tax authority will accept an uncertain tax treatment. The Group measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

A deferred income tax liability is recognised on temporary differences arising on investments in subsidiaries, except where the Group is able to control the timing of the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised.

Deferred income tax is measured:

- (i) at the tax rates that are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date; and
- (ii) based on the tax consequence that will follow from the manner in which the Group expects, at the balance sheet date, to recover or settle the carrying amounts of its assets and liabilities except for investment properties. Investment property measured at fair value is presumed to be recovered entirely through sale.

Current and deferred income taxes are recognised as income or expense in the Statement of Total Return, except to the extent that the tax arises from a business combination or a transaction which is recognised directly in equity.

Except for the tax exemption as described below, taxable income earned by ECW is subject to Singapore income tax at the prevailing corporate tax rate. Such taxable income includes interest income arising from bank deposits placed with financial institutions in Singapore and interest income received in Singapore from financial institutions outside Singapore.

Dividend receivable by ECW from Fullwealth Investment Pte. Ltd., Richwin Investment Pte. Ltd., Prorich Investment Pte. Ltd., Richport Investment Pte. Ltd., Magnasset Investment Pte. Ltd., JY Logistics Investment Pte. Ltd. and Realtime Assets Global Pte. Ltd. (the "Singapore Holding Companies") are one-tier tax exempt dividends. The Trustee is not taxed on dividend income distributed by the Singapore Holding Companies resident in Singapore.

Return of capital and repayment of loan principal are generally regarded as capital in nature and are not taxable in the hands of the Trustee.

Gains arising from the disposal of shares in the Singapore Holding Companies is not subject to Singapore tax unless the gains are considered to be trading gains or gains of an income nature.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.7 Group accounting

Subsidiaries

(i) Consolidation

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date on that control ceases.

In preparing the consolidated financial statements, transactions and balances and unrealised gains on transactions between group entities are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment indicator of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

(ii) Acquisitions

The acquisition method of accounting is used to account for business combinations entered into by the Group.

The consideration transferred for the acquisition of a subsidiary comprises the fair value of the assets transferred, the liabilities incurred and the equity interests issued by the Group. The consideration transferred also includes any contingent consideration arrangement and any pre-existing equity interest in the subsidiary measured at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

On an acquisition-by-acquisition basis, the Group recognises any non-controlling interest in the acquiree at the date of acquisition either at fair value or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

The excess of (a) the consideration transferred, the amount of any non-controlling interest in the acquiree and the acquisition-date fair value of any previous equity interest in the acquiree over (b) the fair value of the net identifiable assets acquired is recorded as goodwill.

(iii) Disposals

When a change in the Group's ownership interest in a subsidiary results in a loss of control over the subsidiary, the assets and liabilities of the subsidiary including any goodwill are derecognised. Amounts previously recognised in other comprehensive income in respect of that entity are also reclassified to the Statement of Total Return or transferred directly to Unitholders' funds if required by a specific Standard.

Any retained equity interest in the entity is remeasured at fair value. The difference between the carrying amount of the retained interest at the date when control is lost and its fair value is recognised in the Statement of Total Return.

Please refer to the paragraph "Investments in subsidiaries" for the accounting policy on investments in subsidiaries in the separate financial statements of ECW.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.8 Investment properties

Investment properties are properties held for long-term rental yields and/or for capital appreciation.

Investment properties are initially recognised at cost and subsequently carried at fair value thereafter. Fair values are determined in accordance with the Trust Deed, which requires the investment properties to be valued by independent registered valuers at least once a year, in accordance with the CIS Code issued by MAS. Changes in fair values are recognised in the Statement of Total Return.

Investment properties are subject to renovations or improvement at regular intervals. The cost of major renovations and improvements is capitalised and the carrying amounts of the replaced components are recognised in the Statement of Total Return. The costs of maintenance, repairs and minor improvements are recognised in the Statement of Total Return when incurred.

On disposal of an investment property, the difference between the disposal proceeds and the carrying amount is recognised in the Statement of Total Return.

2.9 Investment in subsidiaries

Investment in subsidiaries is carried at cost less accumulated impairment losses in ECW's Statement of Financial Position. On disposal of such investments, the difference between disposal proceeds and the carrying amounts of the investments are recognised in the Statement of Total Return.

2.10 Impairment of non-financial assets

Investment in subsidiaries

Investment in subsidiaries is tested for impairment whenever there is any objective evidence or indication that this asset may be impaired.

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash inflows that are largely independent of those from other assets. If this is the case, the recoverable amount is determined for the cash generating unit ("CGU") to which the asset belongs.

If the recoverable amount of the asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. The difference between the carrying amount and recoverable amount is recognised as an impairment loss in the Statement of Total Return.

An impairment loss for an asset is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. The carrying amount of this asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortisation or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss for an asset is recognised in the Statement of Total Return.

2.11 Financial assets

(a) Classification and measurement

The Group classifies its financial assets as held at amortised cost.

The classification depends on the Group's business model for managing the financial assets as well as the contractual terms of the cash flows of the financial assets.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.11 Financial assets (continued)

(a) Classification and measurement (continued)

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

The Group reclassifies debt instruments when and only when its business model for managing those assets changes.

Initial recognition

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Subsequent measurement

Debt instruments

Debt instruments mainly comprise of cash and cash equivalents and trade and other receivables.

Debt instruments that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Hence, these financial assets are measured at amortised cost. A gain or loss on a debt instrument that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in interest income using the effective interest rate method.

(b) Impairment

The Group assesses on a forward looking basis the expected credit losses associated with its debt financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 25 details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach permitted by the FRS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

The general 3-stage expected credit loss approach is applicable to all other financial assets at amortised cost.

(c) Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade date - the date on which the Group commits to purchase or sell the asset.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all risks and rewards of ownership.

On disposal of a debt instrument, the difference between the carrying amount and the sale proceeds is recognised in profit or loss. Any amount previously recognised in other comprehensive income relating to that asset is reclassified to profit or loss.

2.12 Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the Statements of Financial Position when there is a legally enforceable right to offset and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.13 Cash and cash equivalents

For the purpose of presentation in the Consolidated Statement of Cash Flows, cash and cash equivalents include cash on hand and deposits with financial institutions which are subject to an insignificant risk of change in value. For cash subjected to restriction, assessment is made on the economic substance of the restriction and whether they meet the definition of cash and cash equivalents.

2.14 Borrowings

Borrowings are presented as current liabilities unless the Group has an unconditional right to defer settlement for at least 12 months after the balance sheet date, in which case they are presented as non-current liabilities.

Borrowings are initially recognised at fair value (net of transaction costs) and subsequently carried at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the Statement of Total Return over the period of the borrowings using the effective interest method.

2.15 Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. They are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). Otherwise, they are presented as non-current liabilities.

The Group obtained rental deposits from tenants and the deposits are initially recognised at fair value. The differences between fair value and cash received are considered as part of the lease payments received and are presented within "Deferred Income".

Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method.

2.16 Derivative financial instruments and hedging activities

A derivative financial instrument is initially recognised at its fair value on the date the contract is entered into and is subsequently carried at its fair value. The method of recognising the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged.

Fair value changes on derivatives that are not designated or do not qualify for hedge accounting are recognised in the Statement of Total Return when the changes arise.

2.17 Fair value estimation of financial assets and liabilities

The fair values of financial instruments traded in active markets (such as exchange-traded and over-the-counter securities and derivatives) are based on quoted market prices at the reporting date. The quoted market prices used for financial assets are the current bid prices; the appropriate quoted market prices used for financial liabilities are the current asking prices.

The fair values of financial instruments that are not traded in an active market are determined by using valuation techniques. The Group uses a variety of methods and makes assumptions based on market conditions that are existing at each reporting date. Where appropriate, quoted market prices or dealer quotes for similar instruments are used. Valuation techniques, such as discounted cash flow analysis, are also used to determine the fair values of the financial instruments.

The fair values of currency forwards are determined using actively quoted forward exchange rates. The fair values of interest rate swaps are calculated as the present value of the estimated future cash flows discounted at actively quoted interest rates.

The fair values of current financial assets and liabilities carried at amortised cost approximate their carrying amounts.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.18 Leases

When the Group is a lessor:

Leases of investment properties where the Group retains substantially all risks and rewards incidental to ownership are classified as operating leases. Rental income from operating leases (net of any incentives given to the lessees) is recognised in the Statement of Total Return on a straight-line basis over the period of the lease.

When the Group is a lessee:

At the inception of the contract, the Group assesses if the contract contains a lease. A contract contains a lease if the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration. Reassessment is only required when the terms and conditions of the contract are changed.

- **Right-of-use assets**

The Group recognised a right-of-use asset and lease liability at the date which the underlying asset is available for use. Right-of-use assets are measured at cost which comprises the initial measurement of lease liabilities adjusted for any lease payments made at or before the commencement date and lease incentive received. Any initial direct costs that would not have been incurred if the lease had not been obtained are added to the carrying amount of the right-of-use assets.

These right-of-use assets are subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

The right-of-use asset of the Group meets the definition of investment property. The Group has applied the fair value model to its investment properties. The right-of-use asset is presented as "Investment Properties".

- **Lease liabilities**

Lease liability includes the net present value of fixed payments (less any lease incentives receivables) and variable lease payments that depends on an index or rate, initially measured at the applicable index or rate at the lease commencement date.

2.19 Currency translation

(a) Functional and presentation currency

Items included in the financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates ("functional currency"). The consolidated financial statements are presented in Singapore Dollars, which is the functional currency of ECW.

(b) Transactions and balances

Transactions in a currency other than the functional currency ("foreign currency") are translated into the functional currency using the exchange rates at the dates of the transactions. Currency exchange differences resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the closing rates at the balance sheet date are recognised in the Statement of Total Return. Monetary items include primarily financial assets (other than equity investment) and financial liabilities. However, in the consolidated financial statements, currency translation differences arising from borrowings in foreign currencies and net investment in foreign operations, are recognised in the foreign currency translation reserve within the Statements of Movements in Unitholders' Funds of the Group.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.19 Currency translation (continued)

(b) Transactions and balances (continued)

When a foreign operation is disposed of or any loan forming part of the net investment of the foreign operation is repaid, a proportionate share of the accumulated currency translation differences is reclassified to the Statement of Total Return, as part of the gain or loss on disposal.

Foreign exchange gains and losses impacting profit and loss are presented in the Statement of Total Return within "exchange differences".

Non-monetary items measured at fair values in foreign currencies are translated using the exchange rates at the date when the fair values are determined.

(c) Translation of Group entities' financial statements

The results and financial position of all the Group entities (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- (i) Assets and liabilities are translated at the closing exchange rates at the reporting date;
- (ii) Income and expenses are translated at average exchange rates (unless the average is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated using the exchange rates at the dates of the transactions); and
- (iii) All resulting currency translation differences are recognised in other comprehensive income and accumulated in the currency translation reserve. These currency translation differences are reclassified to the Statement of Total Return on disposal or partial disposal with loss of control of the foreign operation.

Goodwill and fair value adjustments arising on the acquisition of foreign operations are treated as assets and liabilities of the foreign operations and translated at the closing rates at the reporting date.

2.20 Units and unit issuance expenses

Proceeds from the issuance of Units in ECW are recognised as Unitholders' funds. Incremental costs directly attributable to the issuance of new Units are deducted directly from the net assets attributable to the Unitholders.

2.21 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Manager who is responsible for allocating resources and assessing performance of the operating segments.

2.22 Distribution policy

With effect from 1 January 2018, ECW's distribution policy is to distribute at least 90% of its distributable income on a semi-annual basis. The actual level of distribution will be determined at the Manager's discretion.

In addition, the Manager also has the discretion to distribute any additional amounts (including capital). In determining whether to distribute additional amounts, the Manager will consider a range of factors including but not limited to ECW's funding requirements, financial position, growth strategy, compliance with relevant laws, regulations and covenants, other capital management considerations, the overall suitability of distributions and prevailing industry practice.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

3. CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

Estimates, assumptions and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fair value estimation of investment properties

The Group carries investment properties at fair value as at balance sheet date. Certain assumptions and estimates are made to determine the fair value of these investment properties. The details of the fair value and estimates used are set out in Note 14.

4. GROSS REVENUE

	2020	Group 2019
	S\$'000	S\$'000
Rental income (net of rental reliefs granted)	109,477	99,057
Other operating income	249	71
	109,726	99,128

Ad-hoc rental reliefs of S\$3,986,000 (2019: nil) were granted to the Group's tenants during the year. The rental reliefs granted, which do not change the scope nor the original terms and conditions of the leases, are recognised as a period charge in the period in which they are granted to the tenants.

5. PROPERTY EXPENSES

	2020	Group 2019
	S\$'000	S\$'000
Property maintenance and repair expenses	2,237	1,004
Property management fee	1,861	1,750
Business and property-related taxes	5,321	6,637
	9,419	9,391

The Group's daily operations and administrative functions are provided by the Manager and Property Manager. All of the Group's investment properties generate rental income and the above expenses are direct operating expenses arising therefrom.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

6. FINANCE COSTS

	Group	
	2020	2019
	S\$'000	S\$'000
Interest expenses:		
- Borrowings	26,209	25,016
- Interest rate swaps	3,393	(534)
Amortisation of upfront debt issuance costs	5,653	4,725
Security deposits accretion	2,884	2,945
Others	920	784
	39,059	32,936

Including the realised fair value loss on interest rate swaps of \$3,393,000 (2019: realised fair value gain on interest rate swaps of \$534,000), total net change in fair value of financial derivatives recognised in the Statement of Total Return amounted to a loss of \$12,699,000 for the financial year ended 31 December 2020 (2019: loss of \$3,772,000).

7. OTHER TRUST EXPENSES

	Group	
	2020	2019
	S\$'000	S\$'000
Audit fees	421	395
Valuation fees	160	167
Consultancy and professional fees	501	867
Others	273	254
	1,355	1,683

8. INCOME TAX EXPENSES

	Group	
	2020	2019
	S\$'000	S\$'000
Tax expense attributable to profit is made up of:		
- Profit for the financial year:		
Current income tax		
- Singapore	-	-
- Foreign	18,953	17,019
	18,953	17,019
Withholding tax	2,133	543
Deferred income tax (Note 19)	1,028	15,709
	22,114	33,271
- Under/(Over) provision in prior financial year:		
Current income tax		
- Foreign	96	(325)
	22,210	32,946

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

8. INCOME TAX EXPENSES (CONTINUED)

The income tax expense on the results for the financial year differs from the amount that would arise using the Singapore standard rate of income tax due to the following:

	Group	
	2020	2019
	S\$'000	S\$'000
Total return for the year before income tax	37,629	98,167
Tax calculated using Singapore tax rate of 17% (2019: 17%)	6,397	16,688
Effects of:		
- Different tax rate in foreign jurisdiction	6,445	10,419
- Non-tax deductible items, net	6,356	6,032
- Income not subject to tax	(6)	(279)
- Utilisation of previously unrecognised tax losses	-	(132)
- Tax losses not recognised	789	-
- Withholding tax	2,133	543
- Under/(Over) provision of tax in prior financial years (net)	96	(325)
	22,210	32,946

9. EARNINGS PER UNIT

The calculation of basic earnings per Unit is based on:

	Group	
	2020	2019
	S\$'000	S\$'000
Total return attributable to Unitholders of ECW	15,419	65,221
Weighted average number of Units outstanding during the year	803,259	795,151
Basic and diluted earnings per Unit (cents per share)	1.92	8.20

Diluted earnings per Unit is the same as the basic earnings per Unit as there are no dilutive instruments in issue during the financial year.

10. CASH AND BANK BALANCES

	Group		ECW	
	2020	2019	2020	2019
	S\$'000	S\$'000	S\$'000	S\$'000
Cash at bank	38,037	34,697	1,310	305
Interest reserves	15,610	15,304	-	-
Cash collaterals	98,045	69,468	-	-
	151,692	119,469	1,310	305

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

10. CASH AND BANK BALANCES (CONTINUED)

The interest reserves are bank deposits maintained as required by the offshore term loan and onshore term loan facilities agreements. The cash collaterals are cash deposits maintained for the issuance of Standby Letter of Credit ("SBLC") (Note 18).

For the purpose of presenting the Consolidated Statement of Cash Flows, cash and bank balances comprise the following:

	Group	
	2020	2019
	S\$'000	S\$'000
Cash and bank balances (as above)	151,692	119,469
Less:		
Interest reserves	(15,610)	(15,304)
Cash collaterals for SBLC facilities	(98,045)	(69,468)
Cash and cash equivalents per Consolidated Statement of Cash Flows	38,037	34,697

11. TRADE AND OTHER RECEIVABLES

	Group		ECW	
	2020	2019	2020	2019

		<u>110</u>	<u>(4,301)</u>		<u>110</u>	<u>(71)</u>

The Group did not apply hedge accounting and practice economic hedge. The Group enter into interest rate swaps to manage its exposure to interest rate movements on its floating rate interest-bearing borrowings (Note 18). Under the swaps, the Group receives floating interest equal to Singapore Dollar Swap Offer Rate ("SGD SOR") at every 3 months and pays fixed rates of interest varying from 1.39% to 1.75% per annum (2019: 1.49% to 1.75% per annum).

The Group had also entered into cross currency interest rate swaps to manage its exposure to interest rate and exchange rate movements on its United States Dollars ("USD") floating-rate interest-bearing borrowings. Under the swaps, the Group receives floating interest equal to USD LIBOR at every 3 months and pays fixed rates of interest varying from 1.77% to 1.79% per annum (2019: 1.77% to 1.79% per annum). During the financial year, the Group had also entered into new currency option contracts to manage its foreign currency risk.

13. LOANS TO SUBSIDIARIES

	ECW	
	2020 S\$'000	2019 S\$'000
Loans to subsidiaries	<u>288,095</u>	288,978

The loans to subsidiaries are unsecured, repayable on demand and approximate their fair values.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

14. INVESTMENT PROPERTIES

	Group	
	2020 S\$'000	2019 S\$'000
Beginning of the year	1,567,586	1,335,034
Acquisition of subsidiaries	-	220,823
Asset enhancements during the year	-	3,355
Effect of straight lining of step-up rental	(2,967)	(2,906)
Fair value changes	(10,594)	50,342
Disposals during the year	(974)	-
Adjustments for finalised construction costs	(5,019)	-
Currency translation differences	75,621	(39,062)
End of the year	<u>1,623,653</u>	<u>1,567,586</u>

All investment properties are mortgaged to secure bank loans (Note 18).

Investment properties are stated at fair value based on valuations performed by independent professional valuers. In determining the fair value, the valuers have used valuation methods which involved certain estimates.

The overall portfolio valuation in RMB terms decreased from RMB 8,118,000,000 (equivalent to S\$1,567,586,000) as at 31 December 2019 to RMB 8,022,000,000 (equivalent to S\$1,623,653,000) as at 31 December 2020.

Details of the investment properties are shown in the Investment Properties Portfolio Statement.

Fair values of investment properties are measured under Level 3 of the fair value hierarchy which included significant unobservable inputs in the valuation techniques used. The valuation technique used in 2020 were Discounted Cash Flow method (2019: Discounted Cash Flow method and Income Capitalisation method) as the valuer believes this valuation technique is more reflective of the fair values of the properties.

Valuation techniques and key unobservable inputs

The following table presents the valuation techniques and key inputs that were used to determine the fair value of the investment properties classified under Level 3 of the fair value hierarchy:

Description	Valuation techniques	Key unobservable inputs	Range of unobservable inputs	Relationship of unobservable inputs to fair value
Investment properties	Discounted cash flow	Terminal Capitalisation rate	6.0% - 6.5% (2019: 6.0% - 6.25%)	The higher the terminal capitalisation rate, the lower the valuation.
		Discount rate	8.5% - 9.0% (2019: 9.0%)	The higher the discount rate, the lower the valuation.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

14. INVESTMENT PROPERTIES (CONTINUED)

Valuation processes of the Group

The Group engages external, independent and qualified valuers to determine the fair value of the Group's properties at the end of the financial year based on the properties' highest and best use. As at 31 December 2020, the fair values of the properties have been determined by Savills Real Estate Valuation (Guangzhou) Ltd - Shanghai Branch.

The independent valuers are of the view that the valuation techniques and estimates they have employed are reflective of the current market conditions and have taken into account the impact of COVID-19 based on information available as at 31 December 2020. The Manager has reviewed the appropriateness of the valuation techniques, and assumptions applied by the independent valuers. Given the heightened uncertainty over the length and severity of the COVID-19 outbreak in the respective countries in which the Group operates and the ongoing measures being adopted by them to address the outbreak, valuations may be subjected to more fluctuations subsequent to 31 December 2020 than during normal market conditions.

The properties include Chongxian Port Investment, Chongxian Port Logistics (Complex 1 and Complex 2), Fu Zhuo Industrial, Fu Heng Warehouse (Building 1 and Building 2), Stage 1 properties of Bei Gang Logistics, Hengde Logistics (Phase 1 and Phase 2), Wuhan Meiluote and Fuzhou E-Commerce.

	592,784	586,625	-	-
Total borrowings	683,831	654,514	-	15,690

The maturity of the borrowings are as follows:

	Group		ECW	
	2020 S\$'000	2019 S\$'000	2020 S\$'000	2019 S\$'000
Within 1 year	91,047	67,889	-	15,690
After 1 year but within 3 years	583,205	575,736	-	-
Over 3 years	9,579	10,889	-	-
	683,831	654,514	-	15,690

Measurement of fair value

Onshore and Offshore interest-bearing borrowings are repriced upon revision of People's Bank of China ("PBOC") Lending Base Rate, Loan Prime Rate ("LPR"), SGD SOR and USD LIBOR. The carrying amounts of the borrowings as at reporting date approximate to their corresponding fair values.

Onshore facility

The Onshore Borrowers are the Group's subsidiaries namely, Hangzhou Chongxian Port Investment Co., Ltd., Hangzhou Bei Gang Logistics Co., Ltd., Zhejiang Hengde Sangpu Logistics Co., Ltd. and Zhejiang Fuzhou E-Commerce Co., Ltd (Note 15).

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

18. BORROWINGS (CONTINUED)

Onshore facility (continued)

As at 31 December 2020, the onshore facility is secured by:

- (i) a first ranking pledge over the entire issued equity interest of two of the Group's subsidiaries, Hangzhou Chongxian Port Logistics Co., Ltd. and Wuqiao Zhonggong Merlot (Hubei) Logistics Co., Ltd. (Note 15) and a first ranking pledge over 65.98% equity interests of Zhejiang Fuzhou E-Commerce Co., Ltd. held by Wuhan Fute Logistics Co., Ltd. (Note 15);
- (ii) an unconditional and irrevocable guarantee from the Onshore Guarantors on a joint and several basis, where the "Onshore Guarantors" refer to the Group's subsidiaries Hangzhou Fu Zhuo Industrial Co., Ltd., Hangzhou Fu Heng Warehouse Co., Ltd., Hangzhou Chongxian Port Logistics Co., Ltd., Wuqiao Zhonggong Merlot (Hubei) Logistics Co., Ltd., Hangzhou Chongxian Port Investment Co., Ltd., Hangzhou Beigang Logistics Co., Ltd., Zhejiang Hengde Sangpu Logistics Co., Ltd., Zhejiang Fuzhou E-Commerce Co., Ltd., Wuhan Fute Logistics Co., Ltd. and Jiayaoyingkai (Shanghai) Supply Chain Management Co., Ltd., (Note 15) and an unconditional and irrevocable guarantee from DBS Trustee Limited in its capacity as the Trustee;
- (iii) a first ranking mortgage over the Properties;
- (iv) a pledge of all sales proceeds, rental income and all other revenue derived from the Properties;
- (v) an assignment of all material agreements in relation to the Properties;
- (vi) an assignment of all insurance policies in relation to the Properties with the onshore security agent (being DBS Bank (China) Limited, Hangzhou Branch) named as the first beneficiary;
- (vii) an assignment of all present and future rights and interests of the Onshore Borrowers, Hangzhou Fu Zhuo Industrial Co., Ltd., Hangzhou Fu Heng Warehouse Co., Ltd., Hangzhou Chongxian Port Logistics Co., Ltd. and Wuqiao Zhonggong Merlot (Hubei) Logistics Co., Ltd. in relation to inter-company debts and shareholder's loans;
- (viii) a subordination deed in relation to the inter-company debts and shareholder's loans made to the Onshore Borrowers; and
- (ix) any other security as may be reasonably required by the lenders.

Offshore Facility

The borrowers are ECW Treasure Pte. Ltd. ("ECWT") and Zhejiang Fuzhou E-commerce Co., Ltd.. The offshore facility is secured by:

- (i) An unconditional and irrevocable guarantee from the Singapore Holding Companies, Flutric Investments Limited (the "BVI Holding Company") and the Trustee (in its capacity as trustee of ECW) on a joint and several basis;
- (ii) A charge over the entire issued share capital of each of the Singapore Holding Companies, the BVI Holding Company and ECWT;
- (iii) A pledge over the entire issued equity interest of each of Hangzhou Chongxian Port Investment Co., Ltd., Hangzhou Bei Gang Logistics Co., Ltd., Hangzhou Fu Zhuo Industrial Co., Ltd., Hangzhou Fu Heng Warehouse Co., Ltd., Zhejiang Hengde Sangpu Logistics Co., Ltd., Wuhan Fute Logistics Co., Ltd. and Zhejiang Fuzhou E-commerce Co., Ltd.;
- (iv) A mortgage over each of the Properties and a floating mortgage over the assets of Zhejiang Fuzhou E-commerce Co., Ltd., in each case, securing the term loan facility of S\$39,074,000 and US\$5,840,000; and

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

18. BORROWINGS (CONTINUED)

Offshore Facility (continued)

- (v) A debenture over all the assets of the Trustee (in its capacity as trustee of ECW) relating to and/or in connection with the Properties, and debentures over all of the assets of each of the Singapore Holding Companies and ECWT.

The Onshore Facility and the Offshore Facility have cross-default provisions, where an event of default of the Offshore Facility shall automatically trigger a cross default on the Onshore Facility and vice versa.

Revolving Credit Facilities

As at 31 December 2020, ECW has uncommitted revolving credit facilities of S\$120,000,000 with United Overseas Bank Ltd ("UOB"), Malayan Banking Berhad ("MBB") and Bank of East Asia Limited, Singapore Branch ("BEA"). ECW had drawn down a total of S\$85,650,000 short-term loan backed by SBLC issued by United Overseas Bank (China) Ltd, Malayan Banking Berhad Shanghai Branch and Bank of East Asia (China) Limited. SBLC is collateralised against a cash deposit of RMB484,410,000 (S\$98,045,000) (Note 10).

19. DEFERRED INCOME TAX

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current income tax assets against current income tax liabilities and when the deferred income taxes relate to the same fiscal authority. The amounts, determined after appropriate offsetting, are shown on the Statements of Financial Position as follows:

	Group	
	2020	2019
	S\$'000	S\$'000
Deferred income tax assets		
- To be recovered after 1 year	(627)	(411)
Deferred income tax liabilities		
- To be settled after 1 year	285,711	271,433
Deferred income tax liabilities (net)	285,084	271,022

Deferred income tax liabilities of S\$2,689,000 (2019: S\$2,639,000) have not been recognised for the withholding taxes and other taxes that will be payable on the earnings of its overseas subsidiaries when remitted to the holding company as the Group is in a position to control the dividend policies of these subsidiaries and provision of such taxes is made only when there is a plan for dividend distribution.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

19. DEFERRED INCOME TAX (CONTINUED)

The movement in deferred income tax assets and liabilities (prior to offsetting of balances within the same tax jurisdiction) is as follows:

Deferred tax liabilities

20. GOVERNMENT GRANT

	Group	
	2020	2019
	S\$'000	S\$'000
Government grant	994	1,005

21. UNITS IN ISSUE

	Group and ECW	
	2020	2019
	No. of Units '000	No. of Units '000
<i>Units in issue</i>		
Beginning of the year	801,206	792,014
Issue of Units:		
- Manager's base fees paid in Units	4,638	6,564
- Manager's performance fees paid in Units	-	423
- Manager's acquisition fees paid in Units	-	2,205
End of the year	805,844	801,206

During the year, ECW issued 4,637,745 new Units (2019: 6,987,083 new Units), in respect of the payment of management fees in Units. The issue price was determined based on the volume-weighted average price for all trades done on SGX-ST in the ordinary course of trading for the last 10 business days of the relevant quarter on which the fees accrued.

Each unit in the ECW represents an undivided interest in the REIT. The rights and interests of Unitholders are contained in the Trust Deed and include the right to:

- receive income and other distributions attributable to the units held;
- participate in the termination of ECW by receiving a share of all net cash proceeds derived from the realisation of the assets of ECW less any liabilities, in accordance with their proportionate interests in ECW. However, a Unitholder does not have the right to require that any assets (or part thereof) of ECW be transferred to him; and
- attend all Unitholders' meetings. The Trustee or the Manager may (and the Manager shall at the request in writing of not less than 50 Unitholders or Unitholders representing not less than 10% of the issued units of ECW) may at any time convene a meeting of Unitholders in accordance with the provisions of the Trust Deed.

A Unitholder's liability is limited to the amount paid or payable for any units in ECW. The provisions of the Trust Deed provide that no Unitholder will be personally liable to indemnify the Trustee or any creditor of the Trustee in the event that the liabilities of ECW exceed its assets.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

22. LEASES - THE GROUP AS A LESSEE

Nature of the Group's leasing activities

Leasehold land

The Group has made an upfront payment to secure the right-of-use of the leasehold land with remaining terms of lease from 31.2 to 44.5 years, which is used in the Group's operations. This leasehold land is recognised within Investment properties (Note 14).

There is no externally imposed covenant on these lease arrangements.

23. LEASES - THE GROUP AS A LESSOR

Nature of the Group's leasing activities - Group as a lessor

The Group has leased out its owned investment properties to related parties and non-related parties for monthly lease payments. The lease contracts have varying terms, escalation clauses, renewal rights and do not contain any variable lease payment. They are classified as operating leases because the risk and rewards incidental to ownership of the assets are not substantially transferred.

The Group is exposed to changes in residual value of properties at the end of current lease arrangement. The residual value risk born by the Group is mitigated by active management of its property portfolio with the objective of optimising tenant mix in order to:

- Achieve the longest weighted average lease term possible;
- Minimise vacancy rates across all properties; and
- Minimise the turnover of tenant with high quality credit ratings.

Lease agreements may include a clause requiring the tenant to reinstate the leased space to its original state when the lease expires and the tenant decides not to renew the lease agreement. This contributes to the maintenance of the property and allows for the space to be re-let quickly once a tenant has departed. In addition, the Group has an annual capitalised expenditure plan reviewed periodically as situations arise for adhoc improvement works to keep properties in line with market standards.

Rental income from investment properties are disclosed in Note 4.

The following table shows the maturity analysis of the undiscounted lease payment to be received.

	Group	
	2020	2019
	S\$'000	S\$'000
Less than one year	104,156	105,262
One to two years	98,687	87,343
Two to three years	98,215	83,260
Three to four years	78,851	84,126
Four to five years	1,350	74,551
More than five years	5,390	6,399
Total undiscounted lease payments	386,649	440,941

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

24. CAPITAL COMMITMENTS

Capital expenditures relating to additions to investment properties contracted for at the reporting date but not recognised in the financial statements amounted to S\$76,000 (2019: S\$1,559,000).

25. FINANCIAL RISK MANAGEMENT

Financial risk factors

The Group's activities expose it to market risk (including currency risk and interest rate risk), credit risk, liquidity risk and capital risk. The Group's overall risk management strategy seeks to minimise any adverse effects from the unpredictability of financial markets on the Group's financial performance. The Group uses financial instruments such as currency options and forwards, interest rate swaps and borrowings denominated in the respective entities' functional currency to manage certain financial risk exposures.

Risk management is carried out under policies approved by the Board of Directors of the Manager. The Manager provides written principles for overall risk management as well as written policies covering specific areas, such as interest rate risk, credit risk and liquidity risk. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Group's activities.

(a) Market risk

(i) Currency risk

The Group's portfolio of properties is located in PRC, held via special purpose vehicles incorporated in PRC and the cash flows from the operation of the Properties are denominated in RMB. The PRC's special purpose vehicles are held by holding companies in Singapore, which are in turn held by ECW. ECW will pay distributions in Singapore dollars. These various levels of shareholding expose ECW to fluctuations in the currency rates of RMB and SGD. In order to manage the currency risk involved in the investment of assets outside Singapore, the Manager will adopt strategies that may include:

- the use of borrowings denominated in the respective entities' functional currency to match the currency of the investment asset as a natural currency hedge;
- entering into cross currency interest rate swaps that are used to reduce the Group's exposure to currency risk on its borrowings and interest; and
- entering into currency forward contracts or currency options to manage the foreign currency income received from the onshore assets, back into Singapore Dollars.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

25. FINANCIAL RISK MANAGEMENT (CONTINUED)

(a) Market risk (continued)

(i) Currency risk (continued)

The Group's currency exposure based on the information provided to key management is as follows:

* Excludes prepayments and VAT receivables

^ Excludes deferred income and rental received in advance

ECW is not exposed to significant currency risk as all transactions are denominated in Singapore Dollars.

Currency risk arises within entities in the Group when transactions are denominated in foreign currencies such as RMB and USD. If the RMB and USD strengthened/weakened against the SGD by 3% (2019: 3%) and 5% (2019: 5%) respectively with all other variables including tax rate being held constant, the effects arising from the net financial asset would decrease/increase the total return by S\$490,000 (2019: S\$316,000) respectively.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

25. FINANCIAL RISK MANAGEMENT (CONTINUED)

(a) Market risk (continued)

(ii) Cash flow and fair value interest rate risks

Cash flow interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Fair value interest rate risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market interest rates. The Group's interest-bearing assets do not generate significant amount of interest, changes in market interest rates do not have significant direct impact to the Group.

The Group's interest rate risk arises from its borrowings which bear floating interest rates. Borrowings at variable rates expose the Group to cash flow interest rate risk. The Manager endeavours to utilise interest rate hedging strategies where appropriate from time to time to ensure stable returns to Unitholders.

The Manager will adopt prudent and proactive interest rate management strategies, including interest rate swaps and cross currency interest rate swaps with reputable banks to manage the risk associated with changes in interest rates on the loan facilities while ensuring that ECW's on-going cost of debt capital remains reasonable and continues to create value to the returns to Unitholders.

As at the balance sheet date, the interest rate profile of the interest-bearing financial instruments was:

	Group		ECW	
	Carrying amount		Carrying amount	
	2020	2019	2020	2019
	S\$'000	S\$'000	S\$'000	S\$'000
<u>Variable rate instruments</u>				
- Onshore borrowings	191,717	188,236	-	-
- Offshore borrowings	414,683	416,860	-	-
- Revolving credit facilities	85,650	62,740	-	15,690
- Interest rate swaps	(287,358)	(191,563)	-	-
- Cross currency interest rate swap	(107,011)	(109,042)	-	-
Net exposure to interest rate risk	297,681	367,231	-	15,690

The Group uses interest rate swaps to manage its exposure to interest rate movements on its floating rate interest-bearing term loan by swapping the interest expense on a proportion of the term loan from floating rates to fixed rates (Note 12).

A change in the interest rate at the reporting date would have an impact on the total return. If the interest rates increase/decrease by 25 (2019: 25) basis points ("bp") at the reporting date, the total return would be lower/higher by S\$744,000 (2019: S\$918,000). This analysis assumes that all other variables, in particular foreign currency rates, remain constant.

ECW does not have significant interest-bearing assets and liabilities. Hence, ECW's subject to insignificant interest risk.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

25. FINANCIAL RISK MANAGEMENT (CONTINUED)

(b) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. The major classes of financial assets of the Group and ECW are cash and bank balances and trade and other receivables. Cash and bank balances are placed with reputable financial institutions which are regulated and are subject to immaterial credit loss. For certain trade and other receivables, the Group adopts the policy of dealing only with customers of appropriate credit standing and history. For other financial assets, the Group adopts the policy of dealing only with high credit quality counterparties.

76% of trade and other receivables are due from the ultimate holding corporation and secured with the security deposits placed with the Group.

The maximum exposure to credit risk to each class of financial instruments is the carrying amount of that class of financial instruments presented on the balance sheet, except for trade and other receivables that are secured with security deposits.

Trade receivables

In measuring the expected credit losses, trade receivables are grouped based on shared credit risk characteristics and days past due.

In calculating the expected credit loss rates, the Group considers historical loss rates for each category of customers and adjusts to reflect current and forward-looking macroeconomic factors affecting the ability of the customers to settle the receivables. Where receivables are provided for, the company continues to engage in enforcement activity to attempt to recover the receivables due. Where recoveries are made, these are recognised in profit or loss. During current financial year, there were write-back for doubtful receivables amounting to S\$107,000 (2019: S\$104,000) due to collections.

Impaired receivables (net of security deposits) are written off for when there is no reasonable expectation of recovery, such as a debtor failing to respond to demand letter.

Loans to subsidiaries

ECW has assessed that its subsidiaries have strong financial capacity to meet the contractual obligation of \$288,095,000 (2019: \$288,978,000) and are considered to have low credit risk. The loans are measured on 12-month expected credit losses and subject to immaterial credit loss.

(c) Liquidity risk

The Group adopts prudent liquidity risk management by maintaining sufficient cash to fund its working capital and financial obligations. At the end of each reporting period, assets held by the Group for managing liquidity risk included cash and short-term deposits. In addition, the Manager also monitors and observes the CIS Code issued by the MAS concerning the leverage limits and financial covenants imposed by the banks on the various borrowings.

The Manager monitors and maintains a level of cash and cash equivalent deemed adequate to finance ECW's operations by requesting funds from the Group's subsidiaries. ECW has control over those Group subsidiaries and the repatriation of funds from subsidiaries are not subject to restriction.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

25. FINANCIAL RISK MANAGEMENT (CONTINUED)

(c) Liquidity risk (continued)

The table below analyses financial liabilities (including derivative financial liabilities) of the Group and ECW into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months approximates their carrying amounts as the impact of discounting is not significant.

	Contractual cash flows S\$'000	Within 1 year S\$'000	Within 1 to 2 years S\$'000	More than 2 years S\$'000

Derivative financial liabilities			
Interest rate swaps	92	92	-

* Exclude interest payables, deferred income and rental received in advance.

(d) Capital risk

The Group is subject to the aggregate leverage limit as defined in Appendix 6 of the CIS Code ("Property Funds Appendix"). The Property Funds Appendix stipulates that the total borrowings and deferred payments (collectively, the "Aggregate Leverage") of a property fund should not exceed 50.0% of the fund's deposited property before 1 January 2022 and on or after 1 January 2022, should not exceed 45.0% of the fund's depository property.

The Group has complied with the Aggregate Leverage requirements for the financial years ended 31 December 2020 and 31 December 2019:

	2020 S\$'000	2019 S\$'000
Group		
Total borrowings and deferred payment	692,050	667,836
Total assets	1,815,654	1,724,041
Aggregate leverage ratio	38.1%	38.7%

The Manager aims to optimise the capital structure and cost of capital, within the Aggregate Leverage limit in the Property Fund Appendix. Such strategy involves adopting and maintaining an appropriate Aggregate Leverage level to ensure optimal returns to Unitholders, while maintaining flexibility in respect of future capital expenditures or acquisitions.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

25. FINANCIAL RISK MANAGEMENT (CONTINUED)

(d) Capital risk (continued)

The Manager will periodically review ECW's capital management policy and modify the policy as the Manager deems prudent with regards to prevailing market conditions. As and when appropriate, the Manager may consider diversifying its sources of debt financing in the future by way of accessing the public capital markets through the issuance of bonds to further enhance the debt maturity profile of ECW.

(e) Financial instruments by category and fair value measurements

The table below presents financial assets and liabilities measured and carried at fair value and classified by the following level of fair value measurement hierarchy:

- (i) quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
- (ii) inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) (Level 2); and
- (iii) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (Level 3).

There were no transfers between Levels 1 and 2 during the year.

The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. The Group uses a variety of methods and makes assumptions that are based on market conditions existing at each balance sheet date. Quoted market prices or dealer quotes for similar instruments are used to estimate fair value for long-term debt for disclosure purposes. The fair value of interest rate swaps and cross currency interest rate swaps are calculated as the present value of the estimated future cash flows based on observable yield curves. These investments are classified as Level 2 which comprise derivative financial instruments. In frequent circumstances, where a valuation technique for these instruments is based on significant unobservable inputs, such instruments are classified as Level 3.

26. IMMEDIATE AND ULTIMATE HOLDING CORPORATIONS

For financial reporting purposes under FRS 110 *Consolidated Financial Statements*, the Group is regarded as a subsidiary of Forchn Global Pte. Ltd.. The immediate and ultimate holding companies are Forchn Global Pte. Ltd. and Forchn Holdings Group Co., Ltd. incorporated in Singapore and the People's Republic of China respectively.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

27. RELATED PARTY TRANSACTIONS

For the purpose of these financial statements, parties are considered to be related to the Group when the Group has the ability, directly or indirectly to control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Group and the party are subjected to common significant influence. The Manager and the Property Manager are indirect wholly-owned subsidiaries of Forchn Holdings Group Co., Ltd..

In addition to the information disclosed elsewhere in the financial statements, the following transactions took place between the Group and related parties at terms agreed between the parties:

	2020	Group 2019
	S\$'000	S\$'000
Property management fees paid/payable	1,861	1,750
Trustee's fees paid/payable	331	303
Manager's base fees paid/payable	4,972	4,886
Rental and other related income received/receivable from related parties	(93,920)	(80,270)
Operating lease commitment where the Group is a lessor	<u>342,726</u>	<u>411,150</u>

Outstanding balances at 31 December 2020, arising from sale/purchase of goods and services, are unsecured and receivable/payable within 12 months from the reporting date and are disclosed in Notes 11 and 16 respectively.

28. FINANCIAL RATIOS

	2020	Group 2019
	%	%
Ratio of expenses to weighted average net assets ¹		
- including performance component of Manager's fees	0.95	1.00
- excluding performance component of Manager's fees	0.95	1.00
Portfolio turnover ratio ²	<u>-</u>	<u>31.79</u>

¹ The annualised ratios are computed in accordance with the guidelines of Investment Management Association of Singapore dated 25 May 2005. The expenses used in the computation relate to expenses of the Group, excluding property expenses, borrowing costs and income tax expenses.

² In accordance with the formulae stated in the CIS Code, the ratio reflects the number of times per year that a dollar of assets is reinvested. The annualised ratio is computed based on the lesser of purchases or sales of underlying investment properties of the Group expressed as a percentage of daily average net asset value.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

29. SEGMENT INFORMATION

The Group had determined the operating segments based on reports reviewed by Management that are used to make strategic decisions, allocate resources and assess performance. Management comprises the Chief Executive Officer and Chief Financial Officer. Management considers and evaluates the business by the nature of investment properties - port logistics, specialised logistics and E-commerce logistics. These properties are concentrated in one geographical location: People's Republic of China. This forms the basis of identifying the operating segments of the Group under FRS 108 *Operating Segments*.

Segment revenue comprises mainly income generated from its tenants. Segment net property income represents the income earned by each segment after allocating property expenses. This is the measure reported to Management for the purpose of assessment of segment performance. In addition, Management monitors the non-financial assets as well as financial assets attributable to each segment when assessing segment performance.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items comprise mainly management fee, trust expenses, finance income, finance costs and related assets and liabilities.

30. NEW OR REVISED ACCOUNTING STANDARDS AND INTERPRETATIONS

Below are the mandatory standards, amendments and interpretations to existing standards that have been published, and are relevant for the Group's accounting periods beginning on or after 1 January 2021 and which the Group has not early adopted.

Amendments to FRS 1-1 Presentation of Financial Statements: Classification of Liabilities as Current or Non-current (effective for annual periods beginning on or after 1 January 2023)

The narrow-scope amendments to FRS 1-1 Presentation of Financial Statements clarify that liabilities are classified as either current or non-current, depending on the rights that exist at the end of the reporting period. Classification is unaffected by the expectations of the entity or events after the reporting date (e.g. the receipt of a waiver or a breach of covenant). The amendments also clarify what FRS 1-1 means when it refers to the 'settlement' of a liability.

The amendments could affect the classification of liabilities, particularly for entities that previously considered management's intentions to determine classification and for some liabilities that can be converted into equity. The Group does not expect any significant impact arising from applying these amendments.

Amendments to FRS 1-16 Property, Plant and Equipment: Proceeds before Intended Use (effective for annual periods beginning on or after 1 January 2022)

The amendment to FRS 1-16 Property, Plant and Equipment (PP&E) prohibits an entity from deducting from the cost of an item of PP&E any proceeds received from selling items produced while the entity is preparing the asset for its intended use. It also clarifies that an entity is 'testing whether the asset is functioning properly' when it assesses the technical and physical performance of the asset. The financial performance of the asset is not relevant to this assessment.

Entities must disclose separately the amounts of proceeds and costs relating to items produced that are not an output of the entity's ordinary activities. The Group does not expect any significant impact arising from applying these amendments.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 December 2020

30. NEW OR REVISED ACCOUNTING STANDARDS AND INTERPRETATIONS (CONTINUED)

Amendments to FRS 1-37 Provisions, Contingent Liabilities and Contingent Assets: Onerous Contracts – Cost of Fulfilling a Contract (effective for annual periods beginning on or after 1 January 2022)

An onerous contract is a contract in which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the costs of fulfilling it and any compensation or penalties arising from failure to fulfil it. The amendment to FRS 1-37 clarifies that the direct costs of fulfilling a contract include both the incremental costs of fulfilling the contract and an allocation of other costs directly related to fulfilling contracts.

The Group does not expect any significant impact arising from applying these amendments.

31. IMPACT OF COVID-19

The COVID-19 pandemic has affected almost all countries of the world, and resulted in border closures, production stoppages, workplace closures, movement controls and other measures imposed by the various governments. The Group's significant operations are in People's Republic of China, which have been affected by the spread of COVID-19 in 2020.

Set out below is the impact of COVID-19 on the Group's financial performance reflected in this set of financial statements for the year ended 31 December 2020:

- (a) The Group has assessed that the going concern basis of preparation for this set of financial statements remains appropriate.
- (b) In 2020, border closures, production stoppages and workplace closures have resulted in periods where the Group's operations were temporarily suspended to adhere to the respective governments' movement control measures. These have negatively impacted business production and volume in 2020, resulting in a negative impact on the Group's financial performance for 2020.
- (c) In 2020, the Group has provided rental concessions to tenants in its rental properties. The effects of such rental concessions provided are disclosed in Note 4.
- (d) The Group has considered the market conditions (including the impact of COVID-19) as at the balance sheet date, in making estimates and judgements on the recoverability of assets as at 31 December 2020.

As the global COVID-19 situation remains very fluid as at the date these financial statements were authorised for issuance, the Group cannot reasonably ascertain the full extent of the probable impact of the COVID-19 disruptions on its operating and financial performance for the financial year ending 31 December 2021. If the situation persists beyond management's current expectations, the Group's assets may be subject to further write downs in the subsequent financial periods.

32. EVENTS OCCURRING AFTER STATEMENTS OF FINANCIAL POSITION DATE

The Manager announced a distribution of 1.427 cents per unit for the period from 1 October 2020 to 31 December 2020.

33. AUTHORISATION OF FINANCIAL STATEMENTS

The financial statements were authorised for issue by the Manager and the Trustee on 25 March 2021.

ADDITIONAL INFORMATION

A. INTERESTED PERSON (AS DEFINED IN THE LISTING MANUAL OF THE SGX-ST) AND INTERESTED PARTY (AS DEFINED IN THE PROPERTY FUNDS APPENDIX) TRANSACTIONS (COLLECTIVELY “RELATED PARTY TRANSACTIONS”)

The Related Party Transactions entered into during the financial year ended 31 December 2020, which fall under the Listing Manual of Singapore Exchange Securities Trading Limited and the Property Funds Appendix (excluding transactions less than S\$100,000 each) are as follows:

Name of interested person	Aggregate value of all related party transactions during the financial year under review (excluding transactions less than S\$100,000 and transactions conducted under Unitholders' mandate pursuant to Rule 920) S\$'000	Aggregate value of all related party transactions during the financial year under review conducted under Unitholders' mandate pursuant to Rule 920 (excluding transactions less than S\$100,000) S\$'000
EC World Asset Management Pte Ltd		
- Manager's base fees	4,972	-
Forchn Holdings Group Co. Ltd. and its subsidiaries		
- Rental income ⁽¹⁾	(8,575)	-
- Waiver of penalty fees	10,915	-
- Property management fees	1,640	-
DBS Trustee Limited		
- Trustee's fees	331	-

⁽¹⁾ The new master lease agreements in relation to Stage 1 Properties of Bei Gang Logistics, Chongxian Port Investment and Fu Heng Warehouse have been approved by unitholders at an Extraordinary General Meeting held on 22 April 2019 and were entered into on 10 May 2019 (this was also announced by the Manager on the same date). The new master lease agreement for Bei Gang Logistics has commenced on 1 November 2020 while the new master lease agreements for Chongxian Port Investment and Fu Heng Warehouse have commenced on 1 January 2021.

Saved as disclosed above, there were no additional interested person/party transactions (excluding transactions less than S\$100,000 each) nor any material contracts entered into by ECW involving the interests of the CEO, each Director or controlling shareholder of the Manager or controlling Unitholder. The entry into and the fees and charges payable (where applicable) by EC World REIT and its subsidiaries under the Trust Deed, the Sponsor ROFR, the ZGB ROFR, the Master Leases, the Corporate Guarantees, the Call Option Agreement, the Grant Agreement, the Outsourcing Agreement, the Deeds of Indemnity, the Master Property Management Agreement and the Individual Property Management Agreements and the leases set out in the Prospectus for Initial Public Offer, section “2016 Other Related Party Transactions”, each of which constitutes or will, when entered into, constitute a Interested Person Transaction, are deemed to have been specifically approved by the Unitholders upon subscription for the Units and are therefore not subject to Rules 905 and 906 of the Listing Manual of the SGX-ST to the extent that there is no subsequent change to the rates and/or bases of the fees charged thereunder which will adversely affect EC World REIT and its subsidiaries.

ADDITIONAL INFORMATION

The following table sets out a summary of Units issued for payment of the management fees during or in respect of the financial year from 1 January 2020 to 31 December 2020.

For Period	Issue Date	Units issued	Issue Price (\$\$)*
1 October 2019 to 31 December 2019	31 March 2020	1,689,424	0.7545
1 January 2019 to 31 March 2020	29 June 2020	1,047,931	0.4916
1 April 2020 to 30 June 2020	29 September 2020	939,720	0.6932
1 July 2020 to 30 September 2020	30 December 2020	960,670	0.6729

Please also see Related party transactions in Note 27 to the financial statements.

B. UTILISATION OF THE SECURITY DEPOSITS

As at the reporting date, the Group has received rental deposits of RMB344.7 million (equivalent to S\$69.8 million) from the Master Lease tenants (the "Security Deposits").

In 2018, the Group have used the Security Deposits to finance the acquisition costs of Wuhan Meiluote for a net consideration of RMB 138,787,000 (equivalent to S\$28,937,000). No additional utilisation during 2019 and 2020.

At the reporting date, there are reasonable grounds to believe that ECW and the Group will be able to repay the security deposits at the end of the term of the Master Leases.
