3QFY2025 Key Highlights

Financials and Distributions

- 3QFY2025 **gross revenue** and **NPI** were down by **56.9%** and **60.5%** y-o-y respectively, mainly due to the **termination of MLAs** upon lease expiry, lower contribution from underlying leases, offset by income contribution from new third-party leases secured for HDSP Phase 1 ⁽¹⁾
- **Finance costs** of the quarter were **20.3% lower** y-o-y mainly due to **lower loan quantum**, the absence of security deposits accretion and finance cost incurred for SBLC settlement, partially offset by higher interest rate for offshore loans
- Occupancy of **84.3%** as at 30 September 2025
- WALE of **0.9 years** (by gross rental income) and **1.2 years** (by net lettable area)

Asset Management

Capital and Debt Structure

- **All-in running interest rate** for 3QFY2025 of **9.3% p.a.**

No Distribution Expected in FY2025

- Distribution for 1H2023 scheduled for 28 September 2023 has been deferred to a future date when there is sufficient free cash.
- There was no distribution for 2H2023 and FY2024 declared due to insufficient fund
- As per offshore facility agreement, permitted distribution means the payment of a dividend by ECW REIT to any holder in accordance with the Trust Deed, provided that :
 - a) No default is continuing or would occur immediate after making the payment;
 - b) the Borrowers are in compliance with the requirement in Clause 20 (financial Covenant) whether before, on or after such payment
- The Manager ECW will not able to fulfil, from the deposited property of the REIT, the liabilities of the property fund as they fall due if making distribution⁽¹⁾
- **It is highly likely that no distribution will be declared for the financial year 2025**

1. Paragraph 7.3 of the Property Funds Appendix which states that if "the manager declares a distribution that is in excess of profits, the manager should certify, in consultation with the trustee, that it is satisfied on reasonable grounds that, immediately after making the distribution, the property fund will be able to fulfil, from the deposited property of the property fund, the liabilities of the property fund as they fall due"
